**ASSIGNMENT OF INVENTION**

For valuable consideration, we, Robert S. Robinson and Robert G. Robinson, assign to Kaivac, Inc., a corporation organized under the laws of the State of Ohio and having a place of business at 2680 Van Hook Avenue, Hamilton, OH 45015, its successors, and assigns (collectively, the Assignee), our entire right, title, and interest throughout the world in the inventions and improvements which are the subject of United States Patent Application No. 16/752,945, entitled Method of Cleaning Hard Surface Flooring with Portable Liquid-Recycling Liquid-Reusing Cleaning System and filed on January 27, 2020. This Assignment includes the application, any continuation, division, or continuation-in-part of the application, and/or substitute for the application, any and all United States and foreign patents, utility models, and design registrations granted for any of the inventions or improvements, and the right to claim priority based on the filing date of the application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes. As part of this Assignment, we: authorize the Assignee to apply in all countries, in our names or in its own name, for patents, utility models, design registrations, like rights of exclusion, and inventors' certificates, for the inventions and improvements; and agree, for ourselves, and for our heirs, legal representatives, and assigns, at the Assignee's expense and without further compensation, to perform lawful acts and to sign further applications, assignments, preliminary statements, and other lawful documents which the Assignee may reasonably require in order to accomplish this Assignment fully.
