Inventor: Eric V. Resh

WHEREAS, Assignee Resh, Inc. desires to acquire the entire and exclusive right, title, and interest, together with all rights of priority, in and to said invention in the United States of America

and throughout the world, and in and to any Letters Patent which may be granted and issued therefor;

NOW THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) in hand paid, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the said Eric V. Resh, by these presents do hereby sell, assign, transfer, and set over unto the said Resh, Inc., its successors and assigns, the entire and exclusive right, title and interest, together with all rights of priority, in and to said invention, in the United States and throughout the world, and in and to any Letters Patent which may be granted and issued therefor, and in and to any Letters Patent which may be granted and issued for any division, reissue, extension, continuation, or continuation-in-part thereof, as well as all foreign counterparts thereof, the same to be held and enjoyed by Resh, Inc., its successors and assigns to the full ends of the terms of all said Letters Patent therefor which may be granted.

As indicated above, the Parties (a) intended that this Assignment be effective at least as early as the application filing date indicated above, and (b) continue to intend that assignment to be effective as of that date. Accordingly, the Parties confirm that the assignment herein is effective as of that earlier date, and the Parties further intend and Assignor therefore does also assign to Assignee any and all rights to pursue infringement of said Assigned rights, by any party that has occurred since that earlier date or that may occur at any time in the future (following the actual signing of this Assignment).

Assignor Eric V. Resh also authorizes Assignee Resh Inc. to make applications for and to receive Letters Patent for said invention in any foreign countries in its own name, or in Assignor's name, at Assignee's election.

Assignor Eric V. Resh also covenants and agrees that he will execute or procure any further necessary assurance of title to said invention and any Letters Patent which may issue therefor and that he will, at any time, upon the request and at the expense of Resh, Inc., deliver any testimony in any legal proceedings and execute all papers that may be necessary or desirable to perfect the title to said invention or any Letters Patent which may be granted therefor in Resh, Inc., its

successors and assigns, and that he will, at any time, upon the request and at the expense of Resh, Inc., execute any division, reissue, extension, continuation, continuation-in-part, or any other additional applications for Letters Patent for said invention or any part or parts thereof, all of which applications and any Letters Patent issuing thereon are hereby assigned to Resh, Inc., and will make all rightful oaths, and do all lawful acts requisite for procuring the same therein, without further compensation, but at the expense of Resh, Inc., its successors and assigns.

Assignor Eric V. Resh also authorizes and requests that the Commissioner of Patents and Trademarks issue any and all Letters Patent of the United States for said invention, resulting from any of the aforesaid applications, to said Resh, Inc.

IN WITNESS WHEREOF, the undersigned have executed this Assignment, at the location and on the date or dates indicated below.
