PATENT SECURITY AGREEMENT

This **PATENT SECURITY AGREEMENT**, dated as of April 7, 2022 (as amended, restated, supplemented or otherwise modified from time to time, this “**Patent Security Agreement**”), is made by Jarrow Formulas, Inc. (the “**Grantor**”) in favor of KKR Loan Administration Services LLC, as Administrative Agent and Collateral Agent for the Secured Parties (in such capacities and together with its successors and permitted assigns, the “**Administrative Agent**”).

WHEREAS, the Grantor is party to that certain Security Agreement, dated as of November 30, 2020 (as amended, restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), among the Grantor, the other grantors party thereto, and the Administrative Agent pursuant to which the Grantor granted a security interest to the Administrative Agent in the Patent Collateral (as defined below) and is required to execute and deliver this Patent Security Agreement.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantor hereby agrees with the Administrative Agent as follows:

SECTION 1. DEFINED TERMS

Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. GRANT OF SECURITY INTEREST

The Grantor, as security for the payment and performance in full of the Secured Obligations of the Grantor (including, if the Grantor is a Guarantor, the Secured Obligations of the Grantor arising under the Guaranty), hereby grants and pledges to the Administrative Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a continuing security interest in all right, title and interest in and to the Patents (including those listed on Schedule A hereto) (collectively, the “**Patent Collateral**”); *provided* that the Patent Collateral shall not include any Excluded Assets.

SECTION 3. SECURITY AGREEMENT

The security interest granted pursuant to this Patent Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent for the Secured Parties pursuant to the Security Agreement, and the Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Patent Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Patent Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. RECORDATION

The Grantor hereby authorizes and requests that the USPTO record this Patent Security Agreement.

SECTION 5. TERMINATION

This Patent Security Agreement shall terminate and the lien on and security interest in the Patent Collateral shall be released upon the payment and performance of the Secured Obligations in accordance with the Loan Documents. Upon the termination of this Patent Security Agreement, the Administrative

Agent shall execute all documents, make all filings, and take all other actions reasonably requested by the Grantor, and at the Grantor's sole cost and expense, to evidence and record the release of the lien on and security interests in the Patent Collateral granted herein.

SECTION 6. GOVERNING LAW

THIS PATENT SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

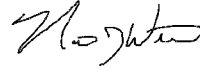

SECTION 7. COUNTERPARTS

This Patent Security Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, the Grantor has caused this Patent Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

JARROW FORMULAS, INC. as Grantor
