**Termination and Release of Security Interests in United States Patents**

THIS TERMINATION AND RELEASE OF SECURITY INTERESTS IN UNITED STATES PATENTS (this "**Release**"), is dated as of December 15, 2021, and made by DEUTSCHE BANK TRUST COMPANY AMERICAS, as collateral agent (the "**Collateral Agent**").

WHEREAS, the Collateral Agent holds a security interest in certain intellectual property assets of THE GOODYEAR TIRE & RUBBER COMPANY (the "**Borrower**") including all right, title or interest in or to any and all (a) letters patent of the United States or the equivalent thereof in any other country, all registrations and recordings thereof, and all applications for letters patent of the United States or the equivalent thereof in any other country, including registrations, recordings and pending applications in the United States Patent and Trademark Office or any similar offices in any other country, including those listed on Schedule I hereto (collectively, the "**Patents**") and (b) reissues, continuations, divisions, continuations-in-part, renewals or extensions of the Patents, and the inventions disclosed or claimed in the Patents, including the right to make, use and/or sell the inventions disclosed or claimed in the Patents, pursuant to (i) that certain Second Lien Guarantee and Collateral Agreement, dated as of April 8, 2005, as amended and restated as of March 7, 2017, among the Borrower, the subsidiaries of the Borrower identified as grantors and guarantors therein and the Collateral Agent, as reaffirmed and amended by the Reaffirmation Agreement, dated as of March 7, 2018, among the Borrower, the subsidiaries of the Borrower identified therein, the Collateral Agent and JPMorgan Chase Bank, N.A., as administrative agent (the "**Administrative Agent**"), as supplemented by the Additional Subsidiary Agreement dated as of January 15, 2020, and as supplemented by the Additional Subsidiary Agreement dated as of July 2, 2021 (as so amended, amended and restated and supplemented, and as may have been further amended, amended and restated, supplemented or otherwise modified from time to time, the "**Collateral Agreement**"), (ii) that certain Patent and Trademark Security Agreement among the Collateral Agent, the Borrower and certain subsidiaries of the Borrower party thereto, dated as of May 11, 2005 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "**2005 Security Agreement**"), and recorded with the United States Patent and Trademark Office ("**USPTO**") on June 7, 2005, at Reel/Frame No. 016323/0515, (iii) that certain Patent and Trademark Security Agreement between the Collateral Agent and the Borrower, dated as of April 19, 2012 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "**2012 Security Agreement**"), and recorded with the USPTO on June 11, 2012, at Reel/Frame 028355/0013 and (iv) that certain Patent Security Agreement between the Collateral Agent and the Borrower, dated as of December 1, 2015 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "**2015 Security Agreement**"), and recorded with the USPTO on December 4, 2015, at Reel/Frame 037213/0557 (the Collateral Agreement, the 2005 Security Agreement, the 2012 Security Agreement and the 2015 Security Agreement are collectively referred to herein as the "**Security Agreements**"; the intellectual property assets referred to above are collectively referred to herein as the "**Patent Collateral**"); and

WHEREAS, in accordance with that certain Payoff Letter, dated December 15, 2021 (the "*Payoff Letter*"), among the Borrower, the Administrative Agent and the Collateral Agent, (i) the obligations secured by the Patent Collateral have been repaid or otherwise satisfied to the extent set forth in the Payoff Letter and (ii) the Security Agreements have been terminated.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Collateral Agent, on behalf of itself and the Secured Parties (as defined in the Collateral Agreement) and its and their respective successors, legal representatives and assigns, hereby (i) irrevocably terminates, releases and discharges the entirety of any and all liens, security interests and any and all other rights that it may have pursuant to the Security Agreements in, and all claims that it may have pursuant to the Security Agreements to or in, the Patent Collateral, including the U.S. patents listed on Schedule I hereto, and (ii) reassigns, transfers and conveys to Borrower all right, title and interest that the Collateral Agent may have pursuant to the Security Agreements in the Patent Collateral, including the U.S. patents listed on Schedule I hereto. Any right, title or interest that the Collateral Agent may have pursuant to the Security Agreements in the Patent Collateral shall hereby terminate, cease and become void.

The Collateral Agent hereby authorizes the Borrower or an authorized representative of the Borrower to (i) record this Release with the USPTO, (ii) file Uniform Commercial Code financing statement amendments with the applicable filing office in order to memorialize the release and discharge of the security interest of the Collateral Agent in the Patent Collateral and/or (iii) otherwise record or file this Release in the applicable governmental office or agency. The Collateral Agent further agrees to execute and deliver to the Borrower any and all further documents and instruments, and do any and all further acts which the Borrower (or its agents or designees) reasonably requests (at the Borrower's sole cost and expense) in order to confirm this Release and the Borrower's right, title and interest in, to and under the Patent Collateral.

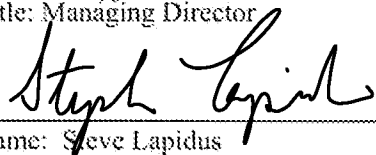

This Release shall be construed in accordance with and governed by the law of the State of New York.
