## PATENT ASSIGNMENT

This Patent Assignment (“**Assignment**”) effective as of September 30, 2021, is entered into by and between Becton Dickinson Holdings Pte, Ltd. (“**Assignor**”), and Air Bag One SARL (“**Assignee**”).

WHEREAS, Assignor is the owner of those certain patents and patent applications set forth in the attached Schedule (the “**Patents**”); and

WHEREAS, Assignor desires to assign to Assignee, and Assignee desires to acquire from Assignor, all of Assignor’s right, title, and interest in and to the Patents.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, Assignor and Assignee hereby agree as follows:

1. Conveyance and Acceptance. Assignor hereby sells, assigns, transfers, and conveys to Assignee all of Assignor’s right, title, and interest in and to the Patents, along with (A) any and all patents and patent applications that claim priority to the Patents, including all foreign counterparts, continuations, extensions, divisionals, continuations-in-part, reissues and reexaminations thereof; and (B) all rights of action pertaining to the Patents, including without limitation the right to sue and recover for past, present, and future infringement thereof, the right to secure registration of the Patents and of this Assignment, the right to initiate other proceedings before all government and administrative bodies with respect to the Patents, and the right to claim priority, file foreign counterparts, and make applications for reissue and reexamination with respect to any of the Patents.

2. Recordation and Further Actions. Assignor authorizes the Commissioner for Patents and any other governmental officials to record and register this Assignment upon request by Assignee. Assignor shall take such steps and actions following the date hereof, including the execution of any documents, files, registrations, or other similar items, to ensure that the Patents are properly assigned to Assignee, or any assignee or successor thereto.

3. Counterparts. This Assignment may be executed in any number of counterparts, each of which shall be deemed an original (including facsimile copies), but all of which together shall constitute one and the same instrument.

4. Choice of Law. This Assignment will be governed by and construed in accordance with the laws of the State of Delaware, without giving effect to any choice or conflict of law provision or rule that would cause the application of the laws of any other jurisdiction.

IN WITNESS THEREOF, the Parties have caused this Assignment to be executed as of the date written above.
