ASSIGNMENT

I ("Assignor"), for good and valuable consideration, receipt of which is hereby acknowledged, have assigned and do hereby assign and sell, which confirms any previous assignment by me or by operation of law, to ZAGWEAR, INC., having a place of business at 33 Corporate Drive, Orangeburg, New York 10962, United States of America ("Assignee"), its successors, assigns, and legal representatives, the entire right, title, and interest in and to all subject matter and improvements invented, made, or conceived by me and described in the patent application entitled

PACKET OPENING AND DISCHARGING DEVICE AND METHOD OF USING

having U.S. Patent Application Number 17/395,064, filed August 5, 2021, and in and to all patent and all patent convention and treaty rights of all kinds, including the right to claim priority from said application, and all rights in and to any utility model, continuation, continuation-in-part, and divisional application therefrom, and any reissue or re-examination as to any patent issuing therefrom, in all countries throughout the world, for all such subject matter described therein, including all rights of action and rights to recover damages for past infringements.

I agree that on request and without further consideration, I will communicate to Assignee or its representatives or nominees any facts known to me respecting the inventions and improvements, and testify in any legal proceeding, make all rightful oaths, sign all lawful papers, and execute all instruments or documents required or requested for the making and prosecution of any applications of any type for patent, utility model, or other similar rights in all countries including, but not limited to, any provisional, non-provisional, continuation, continuation-in-part, divisional, renewal or substitute thereof, for any derivation proceedings relating thereto, and, as to any

patents that issue from such applications, for any supplemental examination, derivation proceeding, opposition, post grant review, reissue, re-examination, *inter partes* review, or extension thereof, and generally do everything possible to aid Assignee, its successors, assigns, and nominees to obtain and enforce proper patent protection for the invention and its improvements in all countries.
