**ASSIGNMENT**

THIS ASSIGNMENT, made by us, **Per MATTSSON**, residing at Sandviksvägen 5130  
294 91 SÖLVESBORG Sweden; and **Mathias LEHIKONEN**, residing at  
Klockartorpsgatan 56, 723 44 VÄSTERÅS, Sweden,

WITNESSETH: That,

WHEREAS, we are joint inventors of certain new and useful improvements in A  
Transmission Arrangement for which European Patent Application No. 21168772.8 was filed  
with the European Patent Office of April 16, 2021;

WHEREAS, **Volvo Construction Equipment AB**, a corporation having a principal place  
of business at 631 85 Eskilstuna, Sweden, hereinafter referred to as assignee, is desirous of  
acquiring the entire right, title and interest in and to said invention as described in said  
application, and in and to any and all Letters Patent which shall be granted therefor in the United  
States of America and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable  
consideration, the receipt and sufficiency of which is hereby acknowledged, we have sold and by  
these presents do hereby sell, assign, transfer, and convey unto the said assignee, its successors  
and assigns, the entire right, title, and interest in and to the said invention and application, and in  
and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any and  
all Letters Patent of the United States of America and all foreign countries or reissues or other  
forms of protection thereof which may be granted therefor or thereon, for the full end of the term  
for which said Letters Patent may be granted along with any term extensions thereon or therefor,  
together with the right to claim the priority of said application in all foreign countries in  
accordance with the International Convention, the same to be held and enjoyed by said assignee,  
its successors and assigns, as fully and entirely as the same would have been held and enjoyed by  
us if this assignment and sale had not been made.

We hereby request that said Letters Patent be issued in accordance with this assignment.

We further covenant and agree that, at the time of the execution and delivery of these  
presents, we possess full title to the invention and application above-mentioned, and that we have  
the unencumbered right and authority to make this assignment.

We further covenant and agree to promptly communicate to said assignee or its  
representatives any facts known to us relating to said invention, to testify in any interference or

legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the assignee, its representatives, successors, or assigns to secure patent or similar protection for the said invention in all countries and to vest in the assignee complete title to the said invention and Letters Patent, without further compensation, but at the expense of said assignee, its successors, assigns, and other legal representatives; and we hereby instruct, and further covenant and agree to bind our heirs, legal representatives, and assigns, to do same, without further compensation, but at the expense of said assignee or its representatives.

IN WITNESS WHEREOF, I have hereunto set my hand and seal on this \_\_\_\_\_ day of \_\_\_\_\_, 2022.
