**CONFIRMATORY ASSIGNMENT**

This Confirmatory Assignment is made between PERSEPHONE GMBH, a company duly organized and existing under the laws of Switzerland with its principal office at St. Johans-Ring 79, CH-4056 Basel, Switzerland ("Assignor"), and CHRISTIAN GÜNTHER, a citizen of Germany residing at St. Johans-Ring 79, CH-4056 Basel, Switzerland ("Assignee").

WHEREAS, Assignor sold, assigned and transferred to Assignee, on January 25, 2022, all right, title, and interest, in and throughout the United States, its territories and all countries foreign thereto, in and to certain inventions, patents, and applications (the "Assigned Inventions"), including the patents and applications set forth in Schedule A attached hereto; and

WHEREAS, the parties need a document that can be recorded to demonstrate the assignment of the Assigned Inventions, including the patents and applications set forth in the attached Schedule A.

NOW, THEREFORE, for good and valuable consideration the receipt of which is hereby acknowledged, Assignor does hereby confirm that Assignor sold, assigned and transferred to Assignee, his successors, assigns and legal representatives, its entire right, title and interest, including the right to sue for past infringement and to collect for all past, present and future damages, income, royalties or payments, in the United States and throughout the world, (a) in the Assigned Inventions, in any and all applications thereon, and in any and all Letters Patent(s) therefor, and (b) in any and all applications that claim the benefit of the patent application listed above in part (a), including continuing applications, reissues, extensions, renewals and reexaminations of the patent application or Letters Patent therefor listed above in part (a), to the full extent of the term or terms for which Letters Patents issue, and (c) in any and all inventions described in the patent application listed above in part (a), and in any and all forms of intellectual and industrial property protection derivable from such patent application, and that are derivable from any and all continuing applications, reissues, extensions, renewals and reexaminations of such patent application, including, without limitation, patents, applications, utility models, inventor's certificates, and designs together with the right to file applications therefor; and including the right to claim the same priority rights from any previously filed applications under the International Agreement for the Protection of Industrial Property, or any other international agreement, or the domestic laws of the country in which any such application is filed, as may be applicable; all such rights, title and interest to be held and enjoyed by the above-named Assignee, his successors, legal representatives and assigns to the same extent as all such rights, title and interest would have been held and enjoyed by the Assignor had this assignment and sale not been made.

IN WITNESS WHEREOF, the parties have caused this Confirmatory Assignment to be executed and delivered on the date(s) specified below.
