ASSIGNMENT OF PATENT APPLICATIONS

This Agreement is entered into and effective as of 11 March 2021, by and between Sensor Electronic Technology, Inc., a business entity formed under the laws of New York, having an address of 110 Atlas Ct., Columbia, SC 29209, United States (Assignee) and the below named Inventors (Assignors).

WHEREAS each Assignor has contributed to the conception of an invention and/or improvement described in the following, collectively referred to as the "Patent Applications":

U.S. Provisional Application No. 62/992,216, filed on 20 March 2020; and
a nonprovisional utility patent application for filing in the United States, titled 'Optoelectronic Device With Reduced Optical Loss,' and identified as Attorney Docket No. SETI-0213-US, at LaBatt, LLC, PO Box 630, Valatie, NY 12184; and
any and all applications claiming the benefit of any of the above-referenced applications and any and all continuations, continuations-in-part, divisionals, and renewals of and substitutes for any of the above-referenced applications;

WHEREAS Each Assignor desires to sell, assign, and transfer all of each Assignor's rights, title, and interest, for all countries in and to the Patent Applications and the inventions and improvements described therein to Assignee; and

WHEREAS Assignee desires to obtain all of the rights title, and interest, for all countries in and to the Patent Applications and the inventions and improvements described therein as the sole owner of the Patent Applications.

NOW THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby expressly acknowledged, the parties agree as follows:

1. Each Assignor hereby confirms any previous assignment(s) and, to the extent any previous assignment(s) is (are) insufficient, hereby sells, assigns, and otherwise transfers unto Assignee, and its successors, assigns and legal representatives, the rights, title and interest, for all countries in and to the Patent Applications and the inventions and improvements described therein and any and all rights and privileges under any and all Letters Patent that may be granted therefor in any country, and any reissues, or reexaminations, or extensions of any such Letters Patent.
2. Each Assignor requests that any and all Letters Patent for the inventions and improvements described in the Patent Applications be issued to the Assignee, its successors, assigns and legal representatives, or to such nominees as the Assignee may designate.
3. Each Assignor authorizes and empowers the Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any Patent Application or other form of protection for the inventions and improvements described in the Patent Applications, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may

henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from the Assignors.

4. Each Assignor hereby consents that a copy of this Agreement shall be deemed a full legal and formal equivalent of any assignment, consent to file, or like document, which may be required in any country for any purpose and more particularly as proof of the right of the Assignee, its successors, assigns and legal representatives, or to such nominees as the Assignee may designate to claim the aforesaid benefit of the right of priority provided by the International Convention or any convention which may henceforth be substituted for it.
5. Each Assignor agrees that, when requested, each Assignor will, without charge to the Assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for the inventions described in the Patent Applications in any and all countries and for vesting title thereto in the Assignee, its successors, assigns and legal representatives or nominees.
6. Each Assignor covenants with the Assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that each Assignor has full right to convey the same as herein expressed.
7. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original. This Agreement is effective as to each Assignor individually, without regard to execution by any other Assignor(s).
