ASSIGNMENT OF U.S. PATENT APPLICATION

In consideration of good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned:

Sean Rose, Weilong Song and Martin Scaiano

hereby sells, assigns, and transfers to:

Privacy Analytics Inc.

a company organized under the laws of the Province of Ontario, Canada, having a place of business at 251 Laurier Avenue West, Suite 200, Ottawa, ON K1P 5J6, Canada ("Assignee"), and its successors, assigns, and legal representatives, the entire right, title, and interest for the United States and all foreign countries, in and to any and all improvements that are disclosed in the application for the United States patent entitled:

SMART DE-IDENTIFICATION USING DATE JITTERING

which was filed on December 20, 2016 as United States Patent Application Number 15/385,710 and

has been executed by the undersigned prior hereto or concurrently herewith on the date(s) indicated below, and in and to said application and all divisional applications, continuation applications, continued prosecution applications, continuation-in-part applications, substitute applications, renewal applications, reissue applications, reexaminations, extensions, and all other patent applications that have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original patents, reissued patents, reexamination certificates, and extensions, that have been or shall be issued in the United States and all foreign countries on said improvements; and in and to all rights of priority resulting from the filing of said United States application;

agree that said Assignee may apply for and receive a patent or patents for said Improvements in its own name; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns, and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional applications, continuation applications, continued prosecution applications, continuation-in-part applications, substitute applications, renewal applications, reissue applications, reexaminations, extensions and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney, and other papers; communicate to said Assignee, its successors, assigns, and representatives all facts known to the undersigned relating to said improvements and the history thereof, and generally assist said Assignee, its successors, assigns, or representatives in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements, and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns, and legal representatives;

covenant with said Assignee, its successors, assigns, and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned; and

ASSIGNMENT OF U.S. PATENT APPLICATION

We further hereby authorize Assignee, or its attorneys or agents, to insert the correct Application Number and Filing Date into this Assignment, if none is indicated on the date of our execution of this agreement.
