Worldwide Assignment

WHEREAS, I, John K. Thomas of 21848 via Regina, Saratoga, CA 95070, have made an invention entitled **"VERIFICATION SYSTEM FOR SECURE TRANSMISSION IN A DISTRIBUTED PROCESSING NETWORK"** for which an application for a patent of the United States has been filed on August 24, 2015, under Application No. 14/833,868 ("Patent Application"), and

WHEREAS, as of the filing date of the Patent Application PRIV8PAY, Inc. a corporation or other business entity duly registered in the State/Country of California, whose postal address is 14435 C Big Basin Way, Suite 265, Saratoga, CA 95070, or its affiliates ("ASSIGNEE"), had previously acquired, by the terms of an employment agreement predating the filing date, the entire right, title, and interest in and to the invention, the Patent Application, and any patent to be granted for the invention in the United States and in all foreign countries;

NOW, THEREFORE, I hereby memorialize and confirm that, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold, assigned, transferred, and conveyed, by the terms of my employment agreement and , to the extent not previously assigned, do hereby sell, assign, transfer, and convey unto ASSIGNEE, its successors, legal representatives, and assigns: (a), the entire right, title, and interest in and to the invention covered by the Patent Application, the Patent Application, all applications claiming benefit of the Patent Application, including, but not limited to, all provisionals, divisionals, continuations and continuations in part of each of the Patent Application, and all patents that may be granted thereon in and throughout the United States and in all foreign countries, including without limitation utility models, design patents, certificates of invention and equivalent rights worldwide, and all reissues and reexaminations thereof; (b) all rights arising under or pursuant to any and all international agreements, treaties or laws, including the right to file applications for patents, design patents, utility models, certificates of invention or other governmental grants and equivalent rights worldwide, and to claim the same priority rights, under the patent laws of the United States, the applicable laws of the country in which any such application is filed, the International Convention for the Protection of Industrial Property and any other international union, convention, agreement and treaty; (c) all rights in and to causes of action and enforcement rights for the invention and any resulting patent, including all rights to pursue damages, injunctive relief and other remedies for past, present and future infringement of the inventions and resulting patents, and to hold for ASSIGNEE'S sole use and benefit all recoveries, rights, and benefits arising from all such suits;

AND I authorize and request the Director of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty is to issue patents or other evidence or forms of industrial property to issue the same for the inventions to ASSIGNEE, its successors, legal representatives, and assigns in accordance with the terms of this Assignment;

AND I covenant and agree that I have the full right to convey the entire right, title, and interest herein assigned and that I have not executed and will not execute any assignment or other instrument in conflict with this Assignment;

AND I further covenant and agree that upon request by ASSIGNEE, its successors, legal representatives, and assigns, and without further consideration, I (or my executors or administrators) will do all lawful acts that may be necessary or desirable to assist ASSIGNEE, its successors, legal representatives, and assigns to obtain and enforce patent protection for the inventions in the United States and in all foreign countries, including, but not limited to, communicate with ASSIGNEE, its successors, legal representatives, and assigns any facts known to I regarding the inventions, testify in any legal proceeding, sign all lawful papers, make all rightful oaths, and execute and deliver all papers that may be necessary or desirable to record and perfect the interest and title to the inventions in ASSIGNEE, its successors, legal representatives, and assigns, it being understood that any expense incident to the rendering of such assistance will be borne by ASSIGNEE, its successors, legal representatives, and assigns;

AND I further hereby authorize ASSIGNEE, or its attorneys or agents, to insert the correct Application Number and Filing Date into this Assignment, if none is indicated on the date of my execution of this agreement.

IN WITNESS WHEREOF, I have executed this Assignment on the date indicated below.
