## ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which being hereby acknowledged, I, the undersigned, do hereby sell, assign, and transfer to: Dynasty Footwear, Ltd., a California corporation, having a place of business at 800 North Sepulveda Boulevard, El Segundo, California 90245-2702 ("Assignee"), its successors, assigns, and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all inventions and improvements disclosed in the application for United States Letters Patent titled "**Portion of a Boot Upper**", the specification of which being filed herewith unless the following box is filled or checked:

☐ filed on \_\_\_\_\_ and assigned U.S. Serial No. \_\_\_\_\_

("Inventions") and in and to said application and all divisional, continuation, continuation-in-part, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said Inventions; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on any of said Inventions; and in and to all rights of priority resulting from the filing of said United States application; and

Agree that said Assignee may apply for and receive Letters Patent for said Inventions in its own name; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said Inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said Inventions and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said Inventions and for vesting title to said Inventions and all applications for patents and all patents on said Inventions, in said Assignee, its successors, assigns and legal representatives; and

Represent and warrant to Assignee, its successors, assigns and legal representative that no assignment, grant mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
