ASSIGNMENT AND AGREEMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, we, Paul Naglatzki, CN; Florian Kristen, Hannover, DE; Christian Meiners, Hannover, DE; Frank Lippert, Lehrte, , DE; do hereby sell, assign and transfer, unto Continental Reifen Deutschland GmbH, having its principal office in Vahrenwalder Str. 9, Hannover, 30165, and its successors, assigns, and legal representatives, the entire right, title and interest for the United States of America in and to certain inventions relating to improvements in

PNEUMATIC VEHICLE TYRE

described, illustrated and claimed in the application number 16/487,847 filed on August 22, 2019 for Letters Patent of the United States of America, Docket No. **2017P00664WOUS (HA)**, executed by us on the dates indicated by our signatures below, together with the entire right, title and interest in and to the application, and in and to Letters Patent which may be issued upon the application, and upon any division, extension, continuation or reissue thereof, including the right to collect damages from any past infringement of such Letters Patent.

We hereby also sell, assign and transfer unto Continental Reifen Deutschland GmbH, the entire right, title and interest in and to the invention and in and to applications for Letters Patent therefor in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of the invention and the applications for Letters Patent in foreign countries, and we further authorize Continental Reifen Deutschland GmbH, to apply for Letters Patent in foreign countries directly in its own name, and to claim priority of the filing date of the application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

We hereby authorize and request the Commissioner of Patents of the United States of America to issue Letters Patent upon the aforesaid application, division, extension, continuation or reissue, to Continental Reifen Deutschland GmbH, for the sole use and benefit of Continental Reifen Deutschland GmbH, its successors, assigns and legal representatives, to the full end of the term for which any Letters Patent may be granted, the same as they would have been held and enjoyed by us had this assignment not been made, and we hereby authorize and request the equivalent authorities in foreign countries to issue the patents of their respective countries to Continental Reifen Deutschland GmbH.

We agree that, when requested, we will, without charge to Continental Reifen Deutschland GmbH, but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for the inventions in any and

all countries and for vesting title thereto in Continental Reifen Deutschland GmbH, its successors, assigns and legal representatives or nominees.

We covenant with Continental Reifen Deutschland GmbH, its successors, assigns and legal representatives, that the interest and property hereby conveyed is free from all prior assignment, grant, mortgage, license or other encumbrance.
