ASSIGNMENT OF PATENT APPLICATION

INTERVENTION FOR LIFE, LLC, a limited liability company established under the laws of the state of Delaware, in the United States of America ("Assignor"), and having a primary place of business at: 4007 Lambert Cove, Vestavia Hills, Alabama, United States of America states it is the owner of the inventions described in:

International Patent Application PCT/US18/46318, filed on 10 August 2018,
International Patent Application PCT/US20/17309, filed on 7 February 2020, and
International Patent Application PCT/US20/28825, filed on 17 April 2020

(such inventions and description being the "Inventions"), such applications referred to herein as "the Current Applications." Assignor agrees to assign, and hereby does assign for good and valuable consideration, receipt and sufficiency of which are hereby expressly acknowledged, and hereby does sell, assign and transfer unto

RAMPART IC, LLC, having a primary place of business at 807 5th Avenue North, Birmingham, Alabama, United States of America (the "Assignee")

a limited liability company established under the laws of the state of Delaware, in the United States of America, and its successors, assigns and legal representatives, Assignor's entire right, title and interest, for all countries in and to: (1) the Inventions, (2) the Current Applications and any invention(s) (including without limitation, improvement(s)) set forth therein; and (3) any and all applications (and all rights and inventions therein) that claim the benefit of or priority to the Current Applications, including without limitation any and all non-provisional applications, continuation applications, continuation-in-part applications, divisional applications, renewals, international applications, national stage applications, foreign counterpart applications, supplementary protection certificates, and substitutes (collectively "Future Applications"); and (4) all the rights and privileges under any and all Letters Patent that may be granted for any of the foregoing in any country, and any reissues, or reexaminations, or extensions thereof. Assignor requests that any and all Letters Patent for said inventions be issued to said Assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

I hereby authorize and request Assignee, its agents, or representatives to insert in the attached Appendix the country code, filing date, and application number of any Future Applications when known.

Assignor agrees that, when requested, Assignor will, without charge to said Assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said Assignee, its successors, assigns and legal representatives or nominees.

Assignor authorizes and empowers said Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by the Patent Cooperation Treaty, the Paris Convention, and the International Convention for the Protection of Industrial Property, as amended, or by any convention or treaty which may henceforth be substituted for said treaties and conventions, and to invoke and claim such right of priority without further written or oral authorization from me.

Assignor hereby consents that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said Assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International convention which may henceforth be substituted for it. Assignor represents and covenants with said Assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that Assignor has full right to convey the same as herein expressed.
