ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION,

I/We, the undersigned (each) have agreed and hereby agree to assign for good and valuable consideration, receipt of which is hereby expressly acknowledged, and do hereby sell, assign and transfer and set over unto GoPlug, Inc. having a place of business as of the date of this assignment at 160 J Street, Suite 2262, Fremont, CA 94536 and its successors, assigns and legal representatives, the full and exclusive right, title and interest, for all countries in and to certain inventions described in an application for United States Patent (the Patent), filed on April 4, 2022 as U.S. Application No. 29/833,427, and the invention(s) and improvement(s) set forth therein, and any and all continuations, continuations-in-part, divisionals, and renewals of and substitutes for the application for the Patent, and all the rights and privileges under any and all Patents that may be granted for that purpose in any country, and any reissues, or reexaminations, or extensions of the Patent. We request that any and all Patent for the inventions be issued to the Assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

I/We agree that, when requested, we will, without charge to the Assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for the inventions in any and all countries and for vesting title thereto in the Assignee, its successors, assigns and legal representatives or nominees.

I/We authorize and empower the Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for the inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us.

I/We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document, which may be required in any country for any purpose and more particularly in proof of the right of the Assignee or nominee to claim the benefit of the right of priority provided by the International convention, which may henceforth be substituted for it.

I/We covenant with the Assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that we have full right to convey the same as herein expressed.
