CONFIRMATORY ASSIGNMENT

This Assignment is by:

Assignor: Nuvation Bio Operating Company LLC (formally Nuvation Bio Operating Company Inc., which was formally known as Nuvation Bio Inc.)
Address: 1500 Broadway, Ste. 1401, New York, New York 10036, United States of America
A juristic entity duly organized under and pursuant to the laws of: Delaware

(Nuvation Bio Inc. changed its name to Nuvation Bio Operating Company Inc. February 10, 2021, and Nuvation Bio Operating Company Inc. converted to a Limited Liability Company and changed its name to Nuvation Bio Operating Company LLC December 29, 2021 and is referred to in this Assignment as "Assignor"), which was, prior to the assignment to Assignee, the sole and exclusive owner, by assignment, of the patents and patent applications identified in **Schedules A-1** through **A-32** and **B-1** through **B-12**, appended hereto.

This Assignment is to:

Assignee: Nuvation Bio Inc.
Address: 1500 Broadway, Ste. 1401, New York, New York 10036, United States of America
A juristic entity duly organized under and pursuant to the laws of: Delaware

which Assignee desires to acquire the entire right, title and interest in, to and under said patents and patent applications and the inventions covered thereby.

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and to the extent that the Assignor has not done so already via a prior agreement with the Assignee or a predecessor in interest of the Assignee, or if the Assignor has already done so via a prior agreement with the Assignee or a predecessor in interest of the Assignee then in confirmation of any obligation to do so in said prior agreement

1. Assignor hereby sells, assigns, transfers and sets over, to Assignee, its successors, legal representatives and assigns, Assignor's entire right, title and interest in and to the above-mentioned inventions, patents, applications for letters patent, and any and all non-provisionals, divisions, continuations, and continuations-in part claiming priority thereto or the benefit thereof, substitutions of said applications, and any and all letters patent or patents in the United States of America and all foreign countries or jurisdictions which may be granted therefor and thereon, including, without limitation, any modifications to such letters patent or patents such as through reissue, re-examination or other post-grant proceeding, and any and all extensions of said letters patent or patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee (including any right to institute actions and to recover damages for past, present and future infringement, and any and all rights to claim priority to said application and any and all applications claiming priority thereto or based on said inventions), for its own use and the use of its successors, legal representatives and assigns, to the full end of the term or terms for which letters patent or patents may be granted, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

2. Assignor hereby authorizes and requests the Commissioner for Patents in the United States to issue the above mentioned letters patents of the United States and any reissue, reexamination, review, or extension thereof to and in the name of Assignee as the assignee of said inventions and the letters patent to be issued thereon for the sole use of Assignee, its successors, legal representatives and assigns.

3. Assignor hereby grants Assignee's attorneys, the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark office or any foreign patent issuing authority for recordation of this document.

4. This assignment may be executed in one or more counterparts, with the same effect as if each signature were on the same document. Each counterpart so executed shall be deemed to be an original, and all such counterparts shall be construed together and shall constitute one agreement.

In witness whereby, executed by the undersigned on the date(s) opposite the undersigned name(s).
