NUNC PRO TUNC PATENT ASSIGNMENT

WHEREAS I, Adam Carter, a resident of Auburn, Alabama, am a named inventor (hereinafter referred to as "Assignor"), of the inventions as disclosed and claimed in the application(s) identified in the attached Schedule A.

WHEREAS, Masterbuilt Manufacturing, LLC, a Delaware limited liability company having a principal business address of 1 Masterbuilt Court, Columbus, Georgia 31907 (hereinafter referred to as "Assignee"), is desirous of securing the entire right, title, and interest in and to the inventions in all countries throughout the world, and in and to all applications for patents on these inventions in all countries throughout the world, including any PCT International Applications and all national stage applications based thereon that may be filed, and all patents issued upon such applications in all countries throughout the world;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which Assignee is hereby acknowledged, and having a *nunc pro tunc* effective date of February 22, 2022 (hereinafter referred to as the "Effective Date"), I, as Assignor, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer and set over unto the Assignee, its lawful successors and assigns, my entire right, title, and interest in and to these inventions, the above-referenced application(s) that disclose and claim the inventions, any PCT International Application(s) and all national stage applications filed based thereon or that may be filed thereon, any other applications for patents filed anywhere in the world that claim any of the inventions, and all divisions, continuations, and continuations-in-part of any such applications, and all patents which may be granted thereon, and all reissues thereof, and all rights to claim priority in any country on the basis of any such applications, and all extension, renewals, and reissues thereof, and I hereby authorize and request that any official of any country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for the inventions to Assignee, its successors and assigns, in accordance with the terms of this Assignment.

AND, I hereby covenant that I have the full right to convey the interest assigned by this Assignment, and I have not executed and will not execute any agreement in conflict with this Assignment;

AND, I further covenant and agree that I will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me respecting these inventions, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to these inventions in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for these inventions in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

SOLE/JOINT INVENTION
(Worldwide Rights)
Customer No. 03490

IN TESTIMONY WHEREOF, the parties hereto have executed this *nunc pro tunc* patent assignment agreement being effective as of the Effective Date and have hereunto set their hands.
