## NUNC PRO TUNC ASSIGNMENT

This Nunc Pro Tunc Assignment (this "Assignment Agreement") is made and entered into effective as of July 21, 2020 (the "Effective Date") by and between West 6th Products Company, an Ohio corporation f/k/a as Hy-Ko Products Company (the "Assignor"), and Hy-Ko Products Company LLC, a Michigan limited liability company (the "Assignee"). Assignor and Assignee may be referred to in this Assignment each as a "Party" and collectively as the "Parties."

WHEREAS, the Assignor agrees to assign to the Assignee all of Assignor's rights and interest in and to all rights, claims, rights of set off or causes of action against third parties that the Assignor had, including but not limited to claims against third parties for infringement, conversion, unfair competition and/or other claims against third parties that arose or occurred prior to the Effective Date, and including but not limited to the present and past rights to sue and recover for past infringement of patents and trademarks listed on **Exhibit A** annexed hereto (such patents and trademarks, collectively, the "Intellectual Property") (such claims collectively, the "Third Party Claims").

NOW, THEREFORE, for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor and Assignee hereby agree as follows:

1. The Assignor does hereby irrevocably assign, transfer, and convey to the Assignee all of its rights, title, and interest to the Third Party Claims including but not limited to all statutory and common law rights, in, to and with respect to the Third Party Claims together with the right to sue and to recover for past infringement of the Intellectual Property and for other past unlawful conduct and claims, this assignment having legal effect as of July 21, 2020.
2. Assignor shall, without further consideration, execute and deliver such additional documents and provide assistance reasonably required or requested by Assignee, their successors and assigns, and their legal representatives (including, without limitation, execution and delivery of any affidavits, declarations, oaths, or other documents as may reasonably be required) to secure, vest, perfect, confirm, record and enforce the rights granted to Assignee under this Assignment. Any provision in this Assignment which is illegal, invalid or unenforceable shall be ineffective to the extent of such illegality, invalidity or unenforceability, without affecting in any way the remaining provisions hereof. This Assignment may not be amended except by execution and delivery of an instrument in writing signed by officers of the parties hereto.
3. Assignee may record this Assignment with the United States Patent and Trademark Office ("USPTO"), and with comparable offices in other jurisdictions throughout the world. All costs associated with any such registrations or recordations shall be paid by Assignee.
4. This Assignment shall inure to the benefit of and be binding upon the Parties and their respective successors and permitted assigns.

5. This Assignment shall be governed by and construed in accordance with the laws of the State of Ohio, without reference to its conflict of law principles.

6. This Assignment may be executed in counterparts, each of which shall be deemed an original, and together shall constitute one and the same agreement and shall be effective as of the Effective Date indicated above when one or more counterparts have been signed by each of the Parties and delivered to the other Party, it being understood that both Parties need not sign the same counterpart. This Assignment may be executed by facsimile or electronically transmitted signatures and such signatures shall be deemed to bind each Party as if they were original signatures.

IN WITNESS WHEREOF, the Parties have caused this Assignment to be executed by their duly authorized officers as of the Effective Date indicated above.
