## **ASSIGNMENT**

For good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned Kevin Barhydt, an agent for COMPANY A (defined below) executes this assignment for and on behalf of the following:

**TurboPatent Inc. also called TurboPatent Corp.**, (henceforth, COMPANY A)

having a principle place of business or registered address at:

105 S Main St #240, Seattle, WA 98104 United States

COMPANY A hereby sells, assigns, and transfers such right and title as Company A has in the patents and patent applications referenced in the attached Exhibit "A", to

**Rowan TELS Corp.**, (henceforth, COMPANY B)

having a principle place of business or registered address at:

105 S Main St #240, Seattle, WA 98104 United States

and its successors, assigns, and legal representatives, the entire right, title, and interest to the patents and patent applications referenced above.

COMPANY A agrees to assign, sell, and transfer to COMPANY B, the entire right, title, and interest for the United States and all foreign countries, in and to any and all inventions and improvements that are disclosed in the applications for patent referenced in Exhibit A, and in and to said applications and all divisional, continuing, continuation-in-part, substitute, renewal, reissue, national stage, and all other patent applications that have been or shall be filed in the United States and any foreign country on any of said inventions and improvements; and in and to all original and reissued patents that have been or shall be issued in the United States and all foreign countries on said inventions and improvements; and in and to all rights of priority resulting from the filing of said patents and patent applications.

COMPANY A further assigns to COMPANY B the right to bring or maintain suit at law and equity against past infringement of the patents referenced herein, and the right to retain for the benefit of COMPANY B all damages or settlements arising from any such past infringement.

COMPANY A further agrees that when requested, without charge to, but at the expense of, COMPANY B, its successors, assigns, and legal representatives, it will carry out in good faith the intent and purpose of this Assignment, including generally assisting COMPANY B, its successors, assigns, or representatives in maintaining said patent and for vesting title to said patent in COMPANY B, its successors, assigns, and legal representatives, including executing all rightful oaths, assignments, powers of attorney, and other papers necessary to maintain said patent and transfer and vest right, title, and interest in the patent to COMPANY B.

COMPANY A does covenant, declare, and affirm to COMPANY B, its successors, assigns, and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed, which is not recorded as a matter of public record, has been made to others.
