PATENT ASSIGNMENT

This Patent Assignment ("Assignment"), effective as of the date of last signature below, is by and between **INTERDESIGN, INC.**, an Ohio corporation, with its principal place of business at 30725 Solon Road, Solon, Ohio 44139 (hereinafter "**Assignor**"), and **METRO DÉCOR LLC**, an Ohio corporation, with its principal place of business at 30320 Emerald Valley Parkway, Glenwillow, OH 44139 (hereinafter "**Assignee**").

WHEREAS, Assignor is the owner by assignment of the U.S. patents and patent applications on the attached Appendix (hereinafter collectively the "Patents and Applications"); and

WHEREAS, as part of an Agreement with Assignor, Assignee is entitled to own all right, title, and interest in and to said Patents and Applications and the inventions it contains.

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, transfer, and assign to the aid Assignee, its successors, assigns and other legal representatives, for the territory of the United States of America and throughout the world, its entire right, title and interest in and to the Patents and Applications, and the inventions therein, together with any and all reissues, reexaminations, statutory invention registrations, modifications and extensions thereof, together with any and all conversion, provisional, non-provisional, divisional, renewal, extension, reexamination, substitute, continuation, continuation-in-part, reissue, and Convention applications based in whole or in part upon said inventions or upon said applications, or claiming the benefit or priority thereof, and all of the inventions relating to the foregoing, and including all rights to claim priority, and hereby authorizes and requests the Commissioner of Patents for the country involved to issue any and all patents on inventions resulting from the Patents and Applications or other applications to Assignee as Assignee of the entire right, title and interest therein, all of the foregoing to be held and enjoyed by Assignee for its own use and for the use of its successors, assigns or other legal representatives, together with all of the income, royalties, damages and payments now or hereafter due or payable with respect thereto, and all claims for damages by reason of past, present and future infringement of the rights assigned under this Assignment with the right to sue for and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this transfer to Assignee had not been made.

Assignor covenants that it will, when requested and at its expense, execute, deliver and acknowledge all such further instruments of conveyance and do and perform all such other acts and things as Assignee may reasonably require to more effectively accomplish the assignment, transfer and recordation thereof of said Patents and Applications.

Assignee's authority hereunder shall include, without limitation, the authority to execute and receive any certificate of ownership or other document to transfer title to any Patents and Applications rights assigned pursuant to this Assignment, and to take any other actions necessary or incident to the powers granted to Assignee in this Assignment.

This Agreement shall inure to the benefit of Assignee and its successors and assigns and shall be binding on Assignor and its successors and assigns.

IN WITNESS WHEREOF, this ASSIGNMENT has been duly executed and signed at
