ASSIGNMENT

WHEREAS, Pharos Innovations, LLC, a limited liability company organized and existing under the laws of the State of Illinois, having a place of business at 790 W. Frontage Road, Suite 415, Northfield, Illinois, 60093, hereinafter called the "Assignor", is the assignee of the entire right, title and interest in and to the United States granted patents listed on Schedule A (attached);

WHEREAS, Digital Care Advisors, LLC, a limited liability company organized and existing under the laws of the State of Illinois, having a place of business at 790 W. Frontage Road, Suite 415, Northfield, Illinois, 60093, hereinafter called the "Assignee", desires to acquire the entire right, title and interest in and to the granted patents identified above, and as set forth below on Schedule A;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other valuable and legally sufficient consideration, the receipt of which by the Assignor from the Assignee is hereby acknowledged, the Assignor has conveyed, sold, assigned and transferred, and by these presents does convey, sell, assign and transfer to the Assignee, the entire right, title and interest for the United States in and to the granted patents and patent applications identified above, and any patents granted based thereon, including the full right to claim for any such patent or application all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions, renewals and extensions of any of the patent applications and patents defined above; together with the right to recover all damages, including, but not limited to, a reasonable royalty, by reason of past, present, or future infringement or any other violation of patent or patent application rights; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for all such patents.

The Assignor hereby covenants and agrees, for both the Assignor and the Assignor's legal representatives, that the Assignor will assist the Assignee in the prosecution of the patent application identified above; in the making and prosecution of any other patent applications that the Assignee may elect to make covering the invention

identified above; in vesting in the Assignee like exclusive title in and to all such other patent applications and patents; and in the prosecution of any interference which may arise involving said invention, or any such patent application or patent; and that the Assignor will execute and deliver to the Assignee any and all additional papers which may be requested by the Assignee to carry out the terms of this Assignment.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue patents to the Assignee in accordance with the terms of this Assignment.

IN TESTIMONY WHEREOF, the Assignor has executed this agreement.
