### ASSIGNMENT

**WHEREAS**, the inventor(s) identified below:

Mark Wayne Hogue, 10503 Crow Wing Cv, Austin, Texas 78730

have invented a new and useful invention entitled:

### SYSTEM FOR SIMULATING A VIRTUAL FITNESS PARTNER

for which reference a full description is here made in an application for Letters Patent of the United States filed herewith or that was filed with the United States Patent and Trademark Office on the 5<sup>th</sup> day of April, 2018. The Assignees believe himself/herself/themselves to be the original inventor(s) of the invention disclosed and claimed in the application for Letters Patent.

**WHEREAS**, the individuals identified below, called the "Assignees", wish to obtain as joint owners, all right title and interest in said invention, the application above identified, and in, to and under Letters Patent which may be obtained for said invention:

Mark Wayne Hogue, 10503 Crow Wing Cv, Austin, Texas 78730

Bruce Edward Stuckman, 8215 Big View Dr, Austin TX 78730

**WHEREAS**, The entity identified immediately below having a principal office and place of business as identified, hereinafter called the "Assignor", is desirous of transferring the entire right, title and interest in and to said invention, the application above identified, and in, to and under Letters Patent which may be obtained for said invention, as hereinafter more fully set forth;

**5 Stone Patents  
10041 Scull Creek Drive  
Austin, TX 78730**

**NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN**, be it known that for valuable legally sufficient consideration, the receipt of which by the Assignor from the Assignees is hereby acknowledged, the Assignor has sold, assigned and transferred, and by these presents do sell, assign and transfer unto the Assignees, their successors and assigns, the entire right, title and interest in and to the invention and the application herein above identified, any and all provisional patent applications from which the application claims priority, and all Letters Patents that may issue for the said invention, and all divisional, reissues, substitutions, continuations, and extensions thereof, to have and to hold for the sole and exclusive use and benefit of the Assignees, their successors and assigns to the full end of the term for which any and all of said Letters Patents for the said invention may issue.

**FURTHER**, be it known that the Assignor has sold, assigned and transferred, and by these presents do sell, assign and transfer unto the Assignees, their successors and assigns, the entire foreign

rights to the invention disclosed in said application, in all countries of the world, including the right to file applications and obtain patents under the terms of the International Convention, and further agrees to execute any and all patent applications, assignments, affidavits, and any other papers in connection therewith necessary to perfect such patent rights.

And the Assignor does hereby covenant and agree, for itself and its legal representatives, that it will assist the Assignees in the prosecution of the application herein identified; in the making and prosecution of any other applications for Letters Patent that the Assignees may elect to make covering the invention herein identified, as herein before set forth, including any application for reissue, application for reexamination, application for foreign patent rights, or any proceeding in the United States Patent and Trademark Office affecting the invention, investing in the Assignees exclusive title in and to all such other applications and Letters Patent; and in the prosecution of any interference which may arise involving said invention, or any application or Letters Patents herein contemplated; that it will promptly execute and deliver to the Assignees any and all additional papers which may be requested by the Assignees to fully carry out the terms of this Assignment; and further that they will communicate to Assignees, or to their successors, assigns, and legal representatives, and facts known respecting said invention, and at the expense of the Assignees, testify in any legal proceedings, and generally do everything possible to aid the Assignees, their successors, assigns and nominees to obtain and enforce proper patent protection for said invention in all countries.

The United States Patent and Trademark Office is hereby authorized and requested to issue all Letters Patent to the Assignees in accordance with the terms of the assignment.

**IN TESTIMONY WHEREOF**, the Assignor, by its legal representative, has hereunto set their hands on the date indicated below. The undersigned hereby authorizes and requests the attorneys and/or agents of record in the application above identified, and in, to and under Letters Patent which may be obtained for said invention, to insert in this assignment the filing date and serial number of said application (and/or issue date and patent number of said corresponding Letters Patent) when officially known, if applicable.
