PATENT ASSIGNMENT

WHEREAS, Schuler Mfg. & Equip. Co. Inc. ("Assignor"), a corporation organized under the laws of the State of Iowa, having its principal office at 63724 Richland Rd., Griswold, IA 51535, is the owner of the entire right, title, and interest in and to certain inventions in the intellectual property described in Exhibit A.

WHEREAS, Assignor certifies that it has full authority under state and federal law to make this assignment.

NOW, THEREFORE, for good and valuable consideration, receipt of which is acknowledged, Assignor agrees to assign and transfer and does hereby assign and transfer unto VERMEER MANUFACTURING COMPANY, a corporation organized under the laws of the State of Iowa, having its principal office at 1210 Vermeer Rd. E, Pella, IA 50219, its successors and assigns ("Assignee"), the entire right, title and interest in and to said patent applications and said issued patents, as well as the right to file any nonprovisional, division, continuation or continuation-in-part, of said patents and/or patent applications claiming the benefit of said patent applications. Assignor additionally assigns to Assignee all rights in and to any and all Letters Patent and reissues and extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent in foreign countries in Assignees' own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted thereon or on any divisional, continuation (in whole or in part), renewal, reissue or other or further application based in whole or in part upon the said invention(s) disclosed in the patent applications and issued patents. All rights granted hereunder are, to be held and enjoyed by Assignee as fully and exclusively as they would have been by Assignor had this assignment and transfer not been made.

Assignor does further agree to execute and deliver without further consideration any further applications, assignments and documents, and to perform such other acts as required under the law to secure Assignee's interest as aforesaid and to obtain or maintain Letters Patent in any and all countries;

Assignor hereby authorizes and requests the Commissioner of Patents to issue any and all Letters Patent which may be granted upon any of said applications, to said Assignee as the assignee of the entire interest thereon. Assignor further authorizes the Commissioner of Patents to record this Assignment in favor of Assignee.

IN WITNESS WHEREOF, we have hereunto assigned our names on the day and year set forth below.
