WHEREAS, GeneVerify Inc., a company organized under and pursuant to the laws of California, and having its principal place of business at 3517 Breakwater Ave, Hayward, California 94545 ("Assignee") is desirous of acquiring said Assignors' right, title and interest in and to said invention and said applications, and in and to said United States Patents:

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, Assignor transfers to Assignee, its successors and assigns, its entire right, title, and interest in and to the invention, the above-identified applications, the right to claim priority, all provisional applications from which any of the above-identified applications claim priority, corresponding domestic and foreign applications, any continuation, division, renewal, or substitute for the applications, all Letters Patent, any reissue, re-examination, or similar legal protection issuing related to the Letters Patent, and all rights and benefits under any applicable treaty or convention; and Assignor authorizes the Director of the United States Patent and Trademark Office or foreign equivalent to issue the Letters Patent or similar legal protection to the Assignee.

Assignor represents to Assignee, its successors, and assigns, that Assignor has not and shall not execute any writing or do any act whatsoever conflicting with this Assignment. Assignor, its executors or administrators, will at any time upon request, without additional consideration, but at the expense of Assignee, its successors and assigns, execute and deliver to Assignee or its legal representatives such additional writings and do such additional acts as Assignee, its successors and assigns, may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Letters Patent or similar legal protection on the Invention in any and all countries, including without limitation providing testimony in any related interference, litigation, or proceeding.
