COMBINED DECLARATION AND ASSIGNMENT

WHEREAS I/WE, the below-named inventor(s) – hereinafter referred to as Assignor(s) – have made an invention entitled:

NOZZLE FOR A FAN ASSEMBLY

for which I/WE are filing an application for United States Letters Patent, the application being the one identified in the Declaration set forth below; and

WHEREAS, Dyson Technology Limited, a corporation of United Kingdom, whose post office address is Tetbury Hill, Malmesbury, Wiltshire, SN16 0RP, United Kingdom (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention, the application for United States Letters Patent on this invention and the Letters Patent to issue upon this application;

NOW THEREFORE, be it known that, for good and valuable consideration, the receipt of which from Assignee is hereby acknowledged, I/WE, as Assignor(s), have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, MY/OUR entire right, title, and interest in and to this invention and this application, and all divisionals, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and I/WE hereby authorize and request the United States Patent and Trademark Office to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I/WE HEREBY covenant that I/WE have the full right to convey the interest assigned by this Assignment, and I/WE have not executed and will not execute any agreement in conflict with this Assignment;

AND, I/WE HEREBY further covenant and agree that I/WE will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to ME/US respecting this invention and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors and assigns, execute all divisional, continuation, and reissue applications, and all rights to claim priority on the basis of such applications, make all rightful oaths or the like, and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns;

IN TESTIMONY WHEREOF, I/WE have hereunto set our hand(s) in the appropriate space below.

AS A DECLARATION UNDER 37 CFR 1.63, for a utility or design application using an Application Data Sheet (37 CFR 1.76), each below-named inventor for which a signature has been provided hereby declares that:

This Declaration is directed to (please check one of the following two boxes):

- ☐ The attached application, or
- ☒ United States application or PCT international application number 17/254,719 filed on December 21, 2020.

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

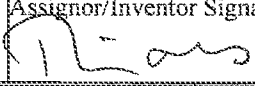

I have reviewed and understand the contents of the application, including the claims.

I am aware of the duty to disclose to the Office all information known to me to be material to patentability as defined in 37 C.F.R. § 1.56.

I hereby acknowledge that any willful false statement made in this Declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

Note: An application data sheet (PTO/AIA/14 or equivalent) naming the entire inventive entity must accompany this form if not submitted previously.

IN TESTIMONY WHEREOF, I/WE have hereunto set our hand(s).

Employment Terms and Conditions:

This agreement is between **Dyson Technology Limited** (the 'Company') the employer, and you, **Joseph Hodgetts** the employee.

Your start date is **4th July 2011**. For the purposes of continuous employment, your start date is **4th July 2011**.

Improvements & inventions

It is part of each employee's duties to contribute to ways of improving Company products, processes and systems and to advise his/her manager promptly of any and all new ideas and inventions. By virtue of the Patents Act 1977, any inventions made by you in the course of your duties belong to the Company and therefore the Company is entitled free of charge to sole ownership and exclusive use of any and all such inventions.

Page 4 of 5

If you make an invention during your employment which the Company is not automatically entitled to own and use, you must offer the Company an opportunity to buy or license (at the Company's option) the invention before offering the invention to any third party. The offer to the Company must be on terms no less favourable than those subsequently offered to the third party.

If you are named as an inventor in any application for protection of an invention or design owned by the Company or an associated Company, you are obliged to sign, on request by the Company, any and all forms, declarations or other papers necessary to prosecute the application. This obligation shall continue after the termination of this agreement.

This agreement is subject to the Company receiving satisfactory employment references. We also require proof of your ongoing legal right to work in the UK prior to commencement of employment.

These terms and conditions are subject to change unless accepted within 14 days of the written offer of employment.

Signed on behalf of the Company

Date 01/06/2011

I have read and understand this document and accept that this constitutes my contract of employment with the Company.
