ASSIGNMENT

This Assignment of Intellectual Property (this "Assignment"), by and between Global Eagle Entertainment Inc., a Delaware corporation ("Global Eagle" or the "Assignor") and Anuvu Operations LLC, a Delaware limited liability company (formerly known as Global Eagle OpCo LLC) (the "Assignee").

WHEREAS, on October 15, 2020 Global Eagle Entertainment Inc. submitted a proposed Asset Purchase Agreement to the U.S. Bankruptcy Court for the District of Delaware in In re Global Eagle Entertainment Inc., Case No. 20-11835 (JTD), and the Bankruptcy Court issued an Order (A) Approving the Asset Purchase Agreement, (B) Authorizing the Sale of Assets, (C) Authorizing the Assumption and Assignment of Contracts and Leases, and (D) Granting Related Relief;

WHEREAS, on October 17, 2020, the Asset Purchase Agreement was executed;

WHEREAS, on March 23, 2021, the Bankruptcy Court issued a Notice of Closing of Transactions and Filing of Schedule of Assumed Assets that identified March 23, 2021 as the closing date of the Asset Purchase Agreement;

WHEREAS, on March 23, 2021, the Bankruptcy Court's Notice of Closing of Transactions terminated any and all prior liens or security agreements pertaining to assets previously belonging to Assignor;

WHEREAS, on March 23, 2021, Global Eagle, GEE Acquisition Holdings Corp., a Delaware corporation and the parent company of Assignee, and Assignee were parties to an Assignment, Purchase, and Distribution Agreement by which the parties agreed that Assignee would acquire the intellectual property of the Purchased Assets as a Buyer Designee of GEE Acquisition Holdings Corp.;

WHEREAS, on March 23, 2021, Global Eagle and Assignee were parties to an Assignment and Bill of Sale by which all intellectual property (as part of the Purchased Assets under the Asset Purchase Agreement) were transferred to Assignee; and

WHEREAS, on July 2, 2021, Assignee changed its name to Anuvu Operations LLC; and

WHEREAS, Assignor desires to transfer and assign to Assignee, and Assignee desires to accept the transfer and assignment of all of Assignor's right, title and interest in and to the patents, patent applications, trademark applications and trademark registrations as set forth on Schedules A and B hereto (the "Assigned Intellectual Property") in accordance with the terms of the Asset Purchase Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor agrees as follows:

1. The Assignor does hereby sell, transfer, convey, assign, grant, set over and deliver to Assignee, all of Assignor's right, title, and interest in and to all patents listed in

Schedule A to this Assignment (the "Assigned Patents"), and in and to any and all reissues, reexaminations or extensions of the Assigned Intellectual Property, and all foreign countries which may be granted therefor and thereon, and in and to any and all provisionals, non-provisionals, divisions, continuations, and continuations-in-part, and all rights under the International Convention for the Protection of Industrial Property, and all rights of priority resulting from the Assigned Intellectual Property and/or rights to claim priority from the Assigned Patents, the same to be held by Assignee for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns, designees, nominees and other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment and sale had not been made, together with (i) all causes of action (in law or equity) claims, demands and any other rights for, or arising from, any past or future infringement, of the Assigned Patents, and (ii) the right to sue for and collect any past and future damages for the use and benefit of Assignee and Assignee's successors, assigns, designees, nominees and other legal representatives.

2. The Assignor hereby sells, assigns and transfers to Assignee all of Assignor's right, title and interest in and to the trademarks listed in Schedule B to this Assignment (the "Assigned Trademarks") throughout the universe in any typeface, stylization, colors, and/or capitalization, and any US state, federal or foreign applications and registrations of the foregoing, including any associated registrations or pending applications, including the goodwill associated therewith and all portions of Assignor's business to which the Assigned Trademarks relate.

3. As may be requested by Assignee or its designee or other legal representative from time to time after the date hereof, Assignor agrees to assist Assignee, or Assignee's successors, assigns, designees, nominees or other legal representatives, in a commercially reasonable manner, without further consideration, to (i) evidence, record, and perfect the assignment of the Assigned Intellectual Property and (ii) secure Assignee's rights in the Assigned Intellectual Property including, but not limited to, the execution, delivery and filing of all applications, specifications, oaths, assignments, powers-of-attorney, and similar instruments that Assignee deems necessary to assign and convey to Assignee, or Assignee's successors, assigns, designees, nominees or other legal representative, all right, title and interest in and to the Assigned Intellectual Property.

4. Assignor hereby authorizes and requests that the Commissioner of the United States Patent and Trademark Office and all other applicable bureaus or offices whose duty it is to issue, certify, record and/or assign registrations or applications for service marks, trademarks, patents, copyrights, Internet domain names or other forms of intellectual property protection, to issue, certify record and/or assign as appropriate, the Assigned Intellectual Property to Assignee and Assignee's successors, assigns, designees, nominees and other legal representatives in accordance with the terms of this Assignment.
