PATENT ASSIGNMENT AGREEMENT

This **PATENT ASSIGNMENT AGREEMENT** (the "Agreement") is entered into as of April 21, 2022 by and between Christos A. Kambouris ("Assignor"), an individual, and Food Automation – Services Techniques, Inc., a Delaware corporation ("Assignee").

WHEREAS, Assignor is in full possession of all right, title, and interest in and to the inventions listed in Exhibit A (the "Inventions"), and desires to convey all right, title, and interest in and to the Inventions to Assignee; and

WHEREAS, Assignee desires to receive all right, title, and interest in and to the Inventions.

NOW, THEREFORE, in consideration of the foregoing covenants and for other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby assigns to Assignee its entire right, title, and interest in and to the Inventions, and in any and all patents, reissue patents, certificates of inventorship, design registrations, utility models, and the like, that may be granted in the U.S. or in any foreign country with respect to the Inventions and improvements thereto; in any and all applications, including provisionals, non-provisionals, continuations, continuations-in-part, divisions, PCT applications, PCT national stage entry applications, corresponding foreign patent applications that may be filed with respect to the Inventions, or improvements thereto, and any and all patents resulting therefrom, including those listed in Exhibit A; the right to claim priority to the applications listed in Exhibit A; and the rights to be granted one or more patents in any country in the world.

Assignor represents and warrants that they have not transferred, licensed, and/or assigned any interest in the inventions to anyone other than Assignee, and that they have not entered into any contract, assignment, or license conveying any right granted to Assignee hereunder, or that would otherwise conflict with this Assignment.

Assignor will, without additional charge to Assignee but at Assignee's expense, cooperate with and assist Assignee such that Assignee may realize and fully enjoy all the rights assigned hereunder, including the preparation and execution of all papers needed by Assignee, and providing such information and assistance as may reasonably be required by Assignee in any administrative or legal proceeding to obtain or protect such rights.

This Assignment and each of its terms shall be binding on the Assignor, and its representatives, heirs and assigns, and shall inure to the benefit of Assignee, its successors, and assigns.

In Witness Whereof, Assignor and Assignee have caused this Agreement to be executed as of the day and year first written above.
