ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, **Boreal Genomics Inc.**, having a place of business at **2386 East Mall, Vancouver, BC Canada V6T 1Z3**, its successors, assigns and legal representatives ("Assignor") hereby:

1. Confirms that Assignor sold, assigned and transferred to, and to the extent (if at all) not already sold, assigned and transferred, hereby sells, assigns and transfers to **Quantum-Si Incorporated**, having a place of business at **530 Old Whitfield Street, Guilford, CT 06437**, its successors, assigns and legal representatives, all hereinafter referred to as the Assignee, its entire right, title and interest for the United States and all foreign countries, in and to any and all inventions and designs which are disclosed in **the United States and International patent applications and patents in Appendix A**, and in and to the patent applications and the Letters Patents and all corresponding provisional, non-provisional, divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent, utility models, industrial designs or similar intellectual property rights which have been or shall be filed in the United States, internationally, and in any foreign country, including but not limited to Germany, France and Great Britain, on any of the inventions; and in and to all original and reissued patents which have been or shall be issued in the United States or any other jurisdiction on the inventions, including the right to apply for patent rights in each foreign country and all rights to priority, including the right to claim priority for Germany, France and Great Britain, as well as the right to sue in its own name and recover damages for past infringement of any United States Letters Patent and foreign patent;

2. Requests the Director of the United States Patent and Trademark Office to issue the Letters Patent to the Assignee.

This instrument is executed under seal and signed under the pains and penalties of perjury under the laws of the United States of America.
