ASSIGNMENT

WHEREAS, I, Josef KROYER of Zemendorf, Austria, have invented certain improvements in a BREECH FOR A PISTOL, for which I will be filing a U.S. Patent Application claiming the benefit of European Patent Application No. 19210954.4, filed on November 22, 2019, on or about the date hereinafter set forth; and

WHEREAS, Glock Technology GmbH, an Austrian corporation, having its principal place of business in Ferlach, Austria, is desirous of acquiring an interest therein;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, I Josef KROYER, have sold, assigned, and transferred, and do hereby sell, assign, and transfer, to Glock Technology GmbH, its successors and assigns, the full and exclusive right to the invention in the United States and its territorial possessions and in all foreign countries, and the entire right, title, and interest in and to any and all Letters Patent that may be granted therefor in the United States and its territorial possessions and in any and all foreign countries, and in and to any and all divisions, continuations, reissues, substitutions, and extensions thereof.

I hereby authorize and request the Patent Office officials in the United States and any and all foreign countries to issue any and all of said Letters Patent, when granted, to Glock Technology GmbH, as the assignee of my entire right, title, and interest in and to the same, for the sole use of Glock Technology GmbH, and its successors and assigns.

Further, I hereby covenant and agree to and with Glock Technology GmbH, and its successors and assigns, at the time of execution and delivery of these presents, that I am the sole and lawful owner of the entire right, title, and interest in and to the invention and the above-identified patent application, and that the same are unencumbered, and that I have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

Further, I agree that I will communicate to Glock Technology GmbH, or its representatives, any facts known to us respecting the invention, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue, substitution, and extension applications, execute all necessary assignment papers to cause any and all of

said Letters Patent to be issued to Glock Technology GmbH, make all rightful oaths, and generally do everything possible to aid Glock Technology GmbH, and its successors and assigns, to obtain and enforce proper protection for the invention in the United States and in any and all foreign countries.
