PATENT ASSIGNMENT FORM

WHEREAS, Don Coxsey ("Assignor"), residing at 1834 Melinda Myrl Dr, Sanger TX 73266, an individual, wishes to transfer his ownership in:

U.S. Patent No. 8,800,489 (Auger-Operated Deer Feeder), issued March 7, 2013;

WHEREAS, Assignor wishes to assign all interests in this invention and patent to:

Assignee: Pinnacle Outdoor Products, Inc.
Address: 1834 Melinda Myrl Dr, Sanger TX 73266

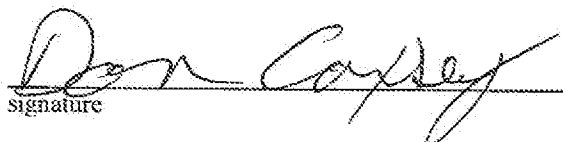

for and in consideration of the sum of \$10 paid in hand, or other good and valuable consideration, the receipt of which is acknowledged to the entire right, title, and interest in and to said invention and any derivatives thereto, including an all rights and all Letters Patent wherever they may be granted thereon as well as reissues and extensions of said Letters Patent, the same to be held and enjoyed by Assignee to the full end of the term or terms for which Letters of Patent are or may be granted, reissued, or extended, as fully and entirely as the same would have been owned by Assignor had this assignment not been made; and,

WHEREAS, Assignee desires to acquire the entire right, title, and interest in and to said invention as described above, such assignment effective August 11, 2021; and,

NOW, THEREFORE, be it known that, Assignor assigns and transfers to Assignee and its assigns, the entire right, title, and interest in and to said invention, as described above. Further, Assignor agrees to assist Assignee in the protection of the invention by execution of such documents as may be required in or incident to the prosecution or conduct of any and all applications, before as well as after the issuance of any Letters Patent thereon, or in the adjustment or settlement of any interferences or other actions or proceedings that said applications may encounter or in which they may become involved. Assignor also agrees to support protection of the invention as may be requested by Assignee, except that any expenses arising through extending such assistance will be paid for by proper arrangement with Assignee.
