## ASSIGNMENT

Pursuant to my obligation to G & W Electric Company (hereinafter referred to as "Assignee"), an Illinois Corporation having its principal place of business at:

305 West Crossroads Pkwy  
Bolingbrook, IL 60440

and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged, I:

**Arturas Dauksas**  
9932 S. Kenneth Ave.  
Oak Lawn, IL 60453

confirm my obligation to and hereby sell, assign and convey, unto Assignee, its successors and assigns, except as set forth below, our entire right, title and interest –

(1) in and to inventions described in a patent application titled "INTEGRATED SWITCHGEAR ASSEMBLY" for which was filed United States Patent Application No. 17/508,663 on October 22, 2021 (Atty. File No. 201376-9064-US03) (hereinafter the "U.S. utility patent application") which application claims the benefit of United States Provisional Patent Application No. 63/105,705, on October 26, 2020 (Atty. File No. 201376-9064-US02);

(2) in and to the U.S. utility patent application, and the U.S. provisional patent application, in and to all other patent applications (including divisional, continuation, continuation-in-part, 35 U.S.C. §111(b) provisional, 35 U.S.C. §111(a), and reissue applications) based upon said inventions, and in and to the patent or patents to be granted thereon, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the U.S. utility patent application and the U.S. provisional patent application and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of our Assignee with a claim to priority based on either or both of the U.S. utility patent application and the U.S. provisional patent application.

I hereby agree that I will, upon demand of Assignee, its successors or assigns, and without further consideration to me, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by me.

Assignor hereby authorizes the Assignee or attorney of record to insert in the appropriate place in this document the application number of our application after execution of this Assignment. Assignor hereby agrees that Assignor will, upon demand of Assignee, its successors, assigns, or legal representatives, and without further consideration to Assignor, execute any and all papers and do all other lawful acts that may be deemed necessary by Assignee, its successors, assigns, or legal representatives, to complete fulfillment of the intent and purposes of this Assignment in any country throughout the world. Any expenses incident to the execution of such papers and performance of such acts shall be paid by the Assignee, its successors, assigns, or legal representatives.

The Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said patent or patents to Assignee.
