ASSIGNMENT

WHEREAS We, the below named inventors (hereinafter referred to as Assignors) have made an invention entitled:

ANTI-ILIRAP ANTIBODY

for which We executed an application for United States Letters Patent concurrently herewith; and

WHEREAS, Cantargia AB, a corporation of Sweden whose post office address is Scheelevägen 27, SE-223 63 Lund, Sweden (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to the application for United States Letters Patent on this invention and the Letters Patent to be issued upon this application;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, We, as Assignors, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, our entire right, title, and interest in and to this invention, and to priority Application No. EP 20216926.4, filed 23 December 2020, priority Application No. GB 2105933.2, filed 26 April 2021, and priority Application No. EP 21212368.1, filed 3 December 2021 (if any), in all countries throughout the world, and in and to the filed application, any and all applications describing this invention, any and all applications claiming priority to the filed application, including the right to claim priority to the filed application and any subsequent applications, and to any Letters Patent to be issued upon this invention or any application claiming priority to the filed application, including continuations, divisionals, reissues, and the like in any country; and We hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, WE HEREBY covenant that We have the full right to convey the interest assigned by this Assignment, and We have not executed and will not execute any agreement in conflict with this Assignment;

AND, WE HEREBY further covenant and agree that We will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country.

AND, WE HEREBY authorize the attorney or agent filing this application to insert here in parentheses (Application No. 17/559,227, filed December 22, 2021) the filing date and application number of said application when known.

IN TESTIMONY WHEREOF, We have hereunto set our hands.
