ASSIGNMENT

Whereas, I, Thomas Mullenaux, a citizen of the United States of America, residing at 1222 West 24th Street, San Pedro, CA 90731, have made an invention in

«INVENTIONS»

for which I have been granted in the United States Patent and Trademark Office as U.S. Patent Numbers 11,066,286;

Now, therefore, for good and valuable consideration, the receipt and adequacy and sufficiency of which are hereby acknowledged, I have agreed to assign and transfer and do hereby assign and transfer unto

AQUAPHANT, INC.

(hereinafter called "Assignee"), a resident of Nevada having its principal office at 7065 West Ann Road, Las Vegas, NV 89130, his/her successors and assigns, the entire right, title and interest in and to the said invention and said utility application, and in and to any division or continuation or continuation-in-part of said utility application, and in and to any and all improvements in the said invention made by me alone or jointly with others, and in and to any and all Letters Patent and reissues and extensions thereof of the United States of America and countries foreign thereto (including the right to apply for Letters Patent in Foreign countries in his/her own name and to claim any and all priority rights for such foreign applications to which such applications are or may be entitled under international conventions, treaties, or otherwise) which have been or may be granted on said utility application or on any divisional, continuation (in whole or in part), renewal, reissue or other or further application based in whole or in part upon the said invention or improvements thereon, to be held and enjoyed by said assignee as fully and exclusively as they would have been by me had this assignment and transfer not been made;

I further agree for myself and for my heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments and documents, and to perform such other lawful acts, that may be deemed necessary by the aforesaid Assignee, his/her successors, assigns and nominees, fully to secure his/her interest as aforesaid and to obtain or maintain Letters Patent in any and all countries;

And I do hereby authorize and request any official whose duty it is to issue patents, to issue any and all patents as may be granted upon

ACKNOWLEDGMENT
