**Schedule D  
Patent Assignment**

This Patent Assignment is made between Raymond Michael Greiwe, M.D., an individual ("Assignor") and Stryker European Operations Limited ("Assignee").

WHEREAS, Raymond Michael Greiwe, M.D. and Assignee are parties to that certain Product Development Project Agreement of even date herewith (the "Development Agreement"), relating to the development of certain products and services as specifically set forth in the Development Agreement, which includes the assignment of all right, title, and interest in and to the patents, patent applications and invention disclosures set forth on Appendix 1 appended hereto (collectively, the "Patents").

NOW, THEREFORE, pursuant to the terms and conditions of the Development Agreement, and for good and valuable consideration, including the provisions and covenants herein and therein, the receipt and sufficiency of which is hereby acknowledged, Assignor and Assignee agree as follows:

1. Assignor hereby sells, grants, assigns, transfers, and delivers to Assignee all rights, title and interests in and to the Patents and all continuing applications, reissues, divisions, continuations, continuations in part, extensions, renewals and reexaminations of any of the Patents, to be held and enjoyed by Assignee for its own use and benefit and for the use and benefit of its successors, assigns and legal representatives, to be used as fully and entirely as said rights would have been held and enjoyed by Assignor had this assignment and sale not been made, together with all claims for damage by reason of past or future infringement of the Patents with the right to sue and collect the same for its own use or for the use of its successors, assigns or other legal representatives.

2. This Patent Assignment shall be construed, performed and enforced in accordance with, and governed by, the laws of the State of New Jersey, without giving effect to the principles of conflicts of laws thereof.

3. In the event that any provision of this Patent Assignment shall be construed to conflict with a provision of the Development Agreement, the provision in the Development Agreement shall be deemed controlling.

4. This Patent Assignment may be executed simultaneously in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

5. All capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Development Agreement.

6. Assignor hereby requests the Commissioner of Patents and Trademarks, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Patents.

[Signature pages follow]

IN WITNESS WHEREOF, each of the undersigned has caused this Patent Assignment to be executed by its officer thereunto duly authorized, as of the 16 day of August, 2019.
