## ASSIGNMENT

WHEREAS, WE,

(1) Gustavo Mehas of Mercer Island, WA  
have invented certain improvements in

### WIRELESS POWER CHARGING

for which we have executed an application for Letters Patent of the United States of America,  
filed on July 31, 2020 and assigned application serial number 16/945,601; and

WHEREAS, we authorize the attorney of record to update this document to include Patent Office  
information as deemed necessary (i.e., filing date, serial number, etc.);

WHEREAS, Renesas Electronics America Inc., a California corporation, located at 1001 Murphy  
Ranch Road, Milpitas, CA 95035, U.S.A., (hereinafter known as "Assignee") is desirous of obtaining the  
entire right, title, and interest in, to and under the said invention and the said application in the United States  
of America and in any and all countries foreign thereto;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is  
hereby acknowledged, and other good and valuable consideration, we have sold, assigned, transferred and  
set over, and by these presents do hereby sell, assign, transfer and set over, unto the said Assignee, its  
successors, legal representatives, and assigns, the entire right, title, and interest in, to and under the said  
invention, and the said application, and all divisional, renewal, substitutional, and continuing applications  
thereof, and all Letters Patent of the United States of America which may be granted thereon and all reissues  
and extensions thereof, and all applications for Letters Patent which may be filed for said invention in any  
country or countries foreign to the United States of America, and all extensions, renewals, and reissues  
thereof, and all prior patents and patent applications from which a filing priority of the above-described  
patent application may be obtained, including the right to collect past damages; and we hereby authorize  
and request the Commissioner of Patents of the United States of America, and any official of any country  
or countries foreign to the United States of America, whose duty it is to issue patents on applications as  
aforesaid, to issue all Letters Patent for said invention to the said Assignee, its successors, legal  
representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY covenant that we have full right to convey the entire interest herein assigned,  
and that we have not executed, and will not execute, any agreement in conflict herewith.

AND WE HEREBY further covenant and agree that we will communicate to said Assignee, its successors, legal representatives and assigns, any facts known to us respecting said invention, and testify in any legal proceedings, sign all lawful papers, execute all divisional, renewal, substitutional, continuing and reissue applications, make all rightful declarations and/or oaths and generally do everything possible to aid the said Assignee, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said invention in all countries.

IN WITNESS THEREOF, each inventor has affixed his signature.
