Patent Assignment

This Assignment ("Assignment") is dated as of February 12, 2019 and made and entered into, by and between, Michael Whitfield, an individual with an address of 1064 N. Shem Drive, Mt. Pleasant, South Carolina 29464 ("Assignor"), and Greenrise Technologies, LLC, a limited liability company of Delaware with an address of 525 Barker Road, Readyville, Tennessee 37149 ("Assignee").

Recitals

A. Assignor wishes to assign, transfer and convey to Assignee, and Assignee wishes to accept from Assignor, all right, title, and interest in and to certain Patents (as defined below), subject to the terms and conditions set forth herein.

B. The parties desire to record the assignment set forth in this Assignment with the United States Patent and Trademark Office and any other public records for which recording is deemed appropriate by Assignee.

C. Now therefore, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows.

Terms

1. Incorporation of Recitals. The foregoing recitals are true and correct and are incorporated into and made a part of this Assignment as if fully set forth herein.

2. Assignment. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, Assignor hereby unconditionally and irrevocably assigns, transfers and conveys to Assignee, its successors and assigns, all right, title, and interest, in, to, and under the following:

(a) the patents and patent applications listed in Schedule I, and all patents that issue from such patent applications, all continuations, continuations-in-part, divisionals, extensions, substitutions, reissues, re-examinations, and renewals, of any of the foregoing ("Patents"), and all inventions disclosed in any of the foregoing (collectively "Acquired Patents");

(b) all licenses and similar contractual rights or permissions, whether exclusive or nonexclusive, related to any of the Acquired Patents ("Licenses");

(c) the right to claim for any applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries,

(d) all royalties, fees, income, payments, and other proceeds now or hereafter due or payable to Assignor with respect to any of the foregoing;

(e) all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, misappropriation, violation, breach, or default; and

(f) all other rights, privileges, and protections of any kind whatsoever of Assignors accruing under any of the foregoing provided by any applicable law, treaty, or other international convention throughout the world.

3. Further Assurances. Assignor shall execute any instruments or documents and perform all other acts reasonably necessary or appropriate, in the reasonable discretion of the Assignee, its successors and assigns, to further evidence the intent and purpose of this Assignment.

4. Entire Agreement. This Assignment, together with Schedule 1, constitutes the sole and entire agreement of the parties to this Assignment with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings, agreements, representations and warranties, both written and oral, with respect to such subject matter.

5. Successors and Assigns. This Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

6. Recordation and Further Actions. Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office to record and register this Assignment upon request by Assignee.

7. Governing Law. The laws of the State of Delaware, without giving effect to its conflicts of laws principles, shall govern all matters arising out of, in connection with, or relating to this Assignment including, without limitation, the validity, interpretation, construction, performance, and enforcement thereof.

8. Counterparts. This Assignment may be executed in one or more counterparts, each of which shall be deemed an original but all of which together will constitute one and the same instrument. Delivery of an executed counterpart of a signature page to this Assignment by facsimile, portable document format or other electronic means shall be effective as delivery of a manually executed counterpart to this Assignment.

[Intentionally Left Blank—Signature Page Follows]

IN WITNESS WHEREOF, the Parties have executed this Assignment as of the date above.
