WHEREAS, ASSIGNOR agrees to transfer, sell and assign to ASSIGNEE their entire
right, title and interest in the United States patent applications identified and set forth on the
A) A NA Nb D S E N O N S S “ G EN” .

NOW, THEREFORE, for the sum of One Dollar (\$1.00) and other good and valuable
consideration, the receipt of which is hereby acknowledged, the said ASSIGNOR, has sold,
assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set
over, unto the said ASSIGNEE, its successors, legal representatives and assign, the entire right,
title and interest in, to and under the said Applications including the inventions disclosed therein
and all divisions, renewals and continuations thereof, and all Patents of the United States or other
countries which may be granted thereon and all reissues and extensions thereof; and all
applications for industrial property protection, including, without limitation, all applications for
patents, utility models, and designs which may hereafter be filed for said inventions in any
country or countries foreign to the United States, together with the right to file such application
and the right to claim for the same the priority rights derived from one or more of the
Applications, under the Patent Laws of the United States, the International Convention for the
Protection of Industrial Property, or any other international agreement or the domestic laws of
the country in which any such application is filed, as may be applicable; and all forms of
