I hereby give permission to insert above the serial number(s) and filing date(s) for the application when known.

WHEREAS LOXO ONCOLOGY, INC., a subsidiary of Eli Lilly and Company, having its principal place of business at Lilly Corporate Center, Indianapolis, IN 46285 and a correspondence address of c/o Eli Lilly and Company, P.O. Box 6288, Indianapolis, Indiana 46206-6288, and which is a wholly-owned subsidiary of Eli Lilly and Company, an Indiana, U.S., corporation having its principal place of business at Lilly Corporate Center, Indianapolis, Indiana 46285, wishes to acquire the entire interest in all inventions disclosed in such Application;

NOW, THEREFORE, in consideration of my employment, any agreements related thereto, or other good and valuable consideration, the receipt of which is hereby acknowledged, I hereby assign **LOXO ONCOLOGY, INC.**, its successors and assigns, my entire right, title and interest in, to and under the Application, including all priority rights for other countries arising therefrom, all inventions therein disclosed, and any and all present or future patent applications to such inventions that may be filed in any country, inclusive of, but not limited to, continuations, continuations-in-part, divisions, substitutions, reexaminations, reissues, international applications filed under the PCT, United States provisional patent applications, subsequent United States provisional patent applications claiming some or all of this invention, certificates of addition, utility models, petty patents, as well as all other intellectual property related to the Application, inclusive of, but not limited to, supplementary protection certificates; and any related patent term extensions which may be granted for Letters Patent with respect to the Application; all of the above to be held and enjoyed by **LOXO ONCOLOGY, INC.** for its own use and enjoyment to the full end of the term or terms for which such Letters Patent and related intellectual property rights may be granted, as fully and entirely as the same would have been held and enjoyed by me had this Assignment and sale to **LOXO ONCOLOGY, INC.** not been made.

For myself and for my heirs, successors and legal representatives, I covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this Assignment.

For myself and for my heirs, successors and legal representatives, I further covenant and agree with **LOXO ONCOLOGY, INC.** that upon request I and they will, without further consideration than that now paid, but at the expense of **LOXO ONCOLOGY, INC.**: (i) execute original, provisional, substitute, continuation, divisional, continuation-in-part, reexamined, or reissued applications, amended specifications, or rightful declarations or oaths for such application; (ii) communicate to **LOXO ONCOLOGY, INC.** any facts known to me or them relating to such inventions or the history thereof; (iii) execute preliminary statements and testify in any interference proceedings, litigation discovery proceedings and depositions, oppositions, cancellation proceedings, priority contests, public use proceedings, administrative agency proceedings, litigation and other court actions and the like; (iv) execute and deliver any application papers, affidavits, declarations, assignments, or other instruments; and (v) do all other acts which, in the opinion of counsel for **LOXO ONCOLOGY, INC.**, may be necessary or desirable to secure the grant of Letters Patent and related intellectual property to **LOXO ONCOLOGY, INC.** or its nominees, in the United States and in all other countries where **LOXO ONCOLOGY, INC.** may desire to have such inventions, or any of them, patented, with specifications and claims in such form as shall be approved by counsel for **LOXO ONCOLOGY, INC.** and to vest and confirm in **LOXO ONCOLOGY, INC.** or its nominees the full and complete legal and equitable title to all such Letters Patent and related intellectual property.

I hereby give permission to insert above the serial number(s) and filing date(s) for the application when known.

WHEREAS LOXO ONCOLOGY, INC., a subsidiary of Eli Lilly and Company, having its principal place of business at Lilly Corporate Center, Indianapolis, IN 46285 and a correspondence address of c/o Eli Lilly and Company, P.O. Box 6288, Indianapolis, Indiana 46206-6288, and which is a wholly-owned subsidiary of Eli Lilly and Company, an Indiana, U.S., corporation having its principal place of business at Lilly Corporate Center, Indianapolis, Indiana 46285, wishes to acquire the entire interest in all inventions disclosed in such Application;

NOW, THEREFORE, in consideration of my employment, any agreements related thereto, or other good and valuable consideration, the receipt of which is hereby acknowledged, I hereby assign **LOXO ONCOLOGY, INC.**, its successors and assigns, my entire right, title and interest in, to and under the Application, including all priority rights for other countries arising therefrom, all inventions therein disclosed, and any and all present or future patent applications to such inventions that may be filed in any country, inclusive of, but not limited to, continuations, continuations-in-part, divisions, substitutions, reexaminations, reissues, international applications filed under the PCT, United States provisional patent applications, subsequent United States provisional patent applications claiming some or all of this invention, certificates of addition, utility models, petty patents, as well as all other intellectual property related to the Application, inclusive of, but not limited to, supplementary protection certificates; and any related patent term extensions which may be granted for Letters Patent with respect to the Application; all of the above to be held and enjoyed by **LOXO ONCOLOGY, INC.** for its own use and enjoyment to the full end of the term or terms for which such Letters Patent and related intellectual property rights may be granted, as fully and entirely as the same would have been held and enjoyed by me had this Assignment and sale to **LOXO ONCOLOGY, INC.** not been made.

For myself and for my heirs, successors and legal representatives, I covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this Assignment.

For myself and for my heirs, successors and legal representatives, I further covenant and agree with **LOXO ONCOLOGY, INC.** that upon request I and they will, without further consideration than that now paid, but at the expense of **LOXO ONCOLOGY, INC.**: (i) execute original, provisional, substitute, continuation, divisional, continuation-in-part, reexamined, or reissued applications, amended specifications, or rightful declarations or oaths for such application; (ii) communicate to **LOXO ONCOLOGY, INC.** any facts known to me or them relating to such inventions or the history thereof; (iii) execute preliminary statements and testify in any interference proceedings, litigation discovery proceedings and depositions, oppositions, cancellation proceedings, priority contests, public use proceedings, administrative agency proceedings, litigation and other court actions and the like; (iv) execute and deliver any application papers, affidavits, declarations, assignments, or other instruments; and (v) do all other acts which, in the opinion of counsel for **LOXO ONCOLOGY, INC.**, may be necessary or desirable to secure the grant of Letters Patent and related intellectual property to **LOXO ONCOLOGY, INC.** or its nominees, in the United States and in all other countries where **LOXO ONCOLOGY, INC.** may desire to have such inventions, or any of them, patented, with specifications and claims in such form as shall be approved by counsel for **LOXO ONCOLOGY, INC.** and to vest and confirm in **LOXO ONCOLOGY, INC.** or its nominees the full and complete legal and equitable title to all such Letters Patent and related intellectual property.
