ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, **Nireekshan K. Reddy**, Ha'Yarkon 296/4, Tel Aviv 6350432, Israel, the undersigned

Hereby sells, assigns and transfers to KLA Corporation, having a place of business at One Technology Drive, Milpitas, California 95035, its successors, assigns, and legal representatives, the entire right, title, and interest for the United States and all foreign countries, in and to any and all inventions disclosed in the following patent application:

Country	Patent Application No.	Filing Date	Title
US	17/705,077	March 25, 2022	Adaptive Modeling Misregistration Measurement System and Method

And in and to said application and all applications that claim priority to the aforementioned application including all divisional, continuation, reissue, and continuation-in-part applications, or national or regional phase applications thereof, which have been or shall be filed in the United States and all foreign countries on any of said inventions; all rights of priority to the aforementioned application; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said inventions;

Agrees that said Assignee may apply for and receive Patents for said inventions in its own name; and agrees that, when requested, shall execute all rightful oaths or declarations, assignments, powers of attorney, and other papers and generally do everything possible which said Assignee, its successors, assigns, or representatives shall consider desirable for aiding in securing, maintaining, and enforcing proper patent protection for said inventions; and

Covenants with said Assignee, its successors, assigns, and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein
