ASSIGNMENT

WHEREAS, I am a joint inventor named in U.S. Patent No. 11,192,684 filed on 21-July-2020 and issued on 07-Dec-2021, and entitled "Corrugated Pallet with Improved Top-to-Bottom Locking",

AND, WHEREAS, Lifdek Corporation, a Nevada US corporation, residing in Reno, NV (hereinafter referred to as LIFDEK), wishes to acquire my entire right and title to, and interest in, my invention(s) disclosed in said application;

NOW, THEREFORE, for sufficient good and valuable consideration, the receipt of which is hereby acknowledged, I do hereby sell, assign, and transfer unto LIFDEK my entire right and title to and interest in said Patent and said invention including all preceding Provisional and nonprovisional and PCT applications for the same invention, including the right to apply for patents thereon in any and all jurisdictions in the World and beyond, including, but not limited to, the United States, all foreign countries, the Patent Cooperation Treaty, and the European Patent Convention in my name or in the name of LIFDEK; said invention and all applications and patents on said invention to be held and enjoyed by LIFDEK as entirely as the same would have been held and enjoyed by me had this sale, assignment, and transfer not been made; and I do hereby further agree and promise to execute all instruments and render all such assistance as LIFDEK may request in order to make and prosecute any and all application on said invention(s), to enforce any and all patents on said invention(s), and to confirm in LIFDEK legal title to said invention(s) and all applications and patents on said invention(s), all without charge to LIFDEK, but at no expense to me. This assignment may be signed by me and my co-inventors in separate documents.
