PATENT ASSIGNMENT

We, Curtis Leon SCHROEDER, residing at 218 Farmington Trace, Carrollton, GA 30116, United States of America; and Yannick FUNK, residing at 1000 de l'Ecuyere, Dummondville, Quebec, J2C 8K7, Country of Canada, (hereinafter collectively, the "Assignors" or "we"), in consideration of the equivalent of Ten U.S. Dollars (\$10.00) and other valuable consideration paid to us by JANUS INTERNATIONAL GROUP, LLC, a Limited Liability Company, maintaining its principal place of business at 135 Janus International Boulevard, Temple, GA 30179, United States of America ("Assignee"), the receipt and adequacy of which is hereby acknowledged, do hereby sell, assign, and transfer unto Assignee, its successors and assigns, the entire right, title and interest for the United States of America and all foreign countries including all rights of priority under the International Convention for the Protection of Industrial Property in a certain invention or improvement in the invention entitled:

ELECTRONIC LOCKING APPARATUS FOR A SWING DOOR

described in an application filed in the United States Patent and Trademark Office on **March 22, 2021**, and assigned Application No. **17/278,373**, and corresponding International Patent Application No. **PCT/US2018/052406**, filed **September 24, 2018**, and in all Letters Patent of the United States and all foreign countries which may or shall be granted on said invention, or any parts thereof, and on said application, and further we agree to and hereby do sell, assign, and transfer to Assignee any provisional, non-provisional, divisional, continuation, continuation-in-part, reissue and other applications, based in whole or in part thereon which may be filed hereafter. And we agree, for ourselves and our executors and administrators, with Assignee and its successors and assigns but at its or their expense and charges, hereafter to execute all applications, amended specifications, deeds or other instruments, and to do all acts necessary or proper to secure the grant of Letters Patent in the United States and in all other countries to Assignee, with specifications and claims in such form as shall be approved by the counsel of Assignee and to vest and confirm in Assignee its successors and assigns, the legal title to all such patents. Each Assignor agrees to and does hereby grant an irrevocable, perpetual, limited power of attorney, being coupled to an interest, to Assignee's president or CEO, and to Assignee's attorney, Jason A. Bernstein, and the respective designees of each, to execute on each Assignor's behalf any documents and take any action necessary to evidence authorship, inventorship, invention ownership (including declarations), assignments granted herein and any other related right or status for the United States or any other country without further notice or consideration to any Assignor and to fill in the application number and filing date above when obtained, even if after execution of this Agreement. And Assignors do hereby authorize and request the Commissioner for Patents of the United States to issue such Letters Patent as shall be granted upon said application or applications based thereon to Assignee, its successors and assigns.

This patent assignment may be executed in any number of duplicate counterparts and, and any party hereto may execute any such counterpart, each of which when executed and delivered shall constitute an original and all such counterparts together shall constitute but one and the same instrument.

IN TESTIMONY WHEREOF, we have hereunto set our hands and affixed our seals on the date set forth below.
