ASSIGNMENTSzent Co. 

I, Shawn Griffis, of La Jolla, California, hereby assign to ~~Szent Co.~~ Szent Co., a corporation
 2958 Exposition Blvd., Unit C, Santa Monica, California 90404
 having a place of business at ~~5470 La Jolla Boulevard Unit 201, La Jolla, California 92037~~, and
 its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title
 and interest throughout the world in any and all inventions and improvements which are
 described in an application for United States Patent filed by me, entitled *SCENTED MATERIAL
 COMPOSITIONS AND ARTICLES FOR USE WITH BEVERAGES*, filed on March 28, 2018
 and assigned U.S. Application Number 62/649,215. I authorize and request an attorney
 appointed in said application to hereafter insert above the filing date and serial number of said
 application when known.

This assignment includes the entire right, title and interest in said application, all legal
 equivalents thereof in any country, any and all United States and foreign patents, utility models,
 and design registrations granted for any of said inventions and improvements, including, but not
 limited to, all divisions, continuations, reissues, reexamination certificates, any and all
 certificates issued in any post-grant proceeding, and extensions of said applications and patents
 of the United States, foreign patents, utility models, and design registrations, and the right to
 claim priority based on the filing date of said application under the International Convention for
 the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent
 Convention, and all other treaties of like purposes, and the right to seek relief and recover all
 damages, including, but not limited to, a reasonable royalty, by reason of infringement or any
 other violation of patent or patent application rights. I authorize the Assignee to apply in all
 countries in my name or in the name of the Assignee for patents, utility models, design
 registrations and like rights of exclusion and for inventors' certificates for said inventions and
 improvements.

In addition, I hereby confirm the sale, assignment, and transfer to the Assignee of the
 entire right, title and interest throughout the world in said inventions and improvements that
 occurred by operation of an employment agreement between me and the Assignee existing at the
 time said inventions and improvements were made. Should I have any remaining interest, I

hereby sell, assign, and transfer any right, title and interest I may have in said inventions and improvements anywhere in the world to the Assignee.

The foregoing assignments, sale and transfer have been made for good and valuable consideration, the receipt of which is hereby acknowledged.

I hereby represent and covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into that would conflict with the assignment of said inventions and improvements to the Assignee.

I further covenant for myself and my respective heirs, legal representatives and assigns, to assist the Assignee in handling various procedures, tasks and documentation in connection with this assignment, including, but not limited to, providing to the Assignee promptly upon the request of the Assignee all pertinent facts and documents relating to said invention and improvements, and said patents, said legal equivalents or other legal instrument as may be known and accessible to me and testifying as to the same in any interference, derivation, litigation, or proceeding relating thereto, and promptly executing and delivering to the Assignee or its legal representative any and all papers, documents, instruments or affidavits in connection with obtaining, maintaining, issuing or enforcing said application, said inventions and improvements, and said patents, said equivalents and other legal instrument which may be necessary or desirable to carry out the purposes thereof.
