ASSIGNMENT

WHEREAS, I, Anna Ailene Scott, residing in Austin, TX, am an original inventor or an original joint inventor of the invention disclosed in the above-identified application for a United States Letters Patent (“Inventor”);

WHEREAS, I, Nasr E. Alkadi, residing in Edmond, OK, am an original inventor or an original joint inventor of the invention disclosed in the above-identified application for a United States Letters Patent (“Inventor”);

WHEREAS, I, Yan Azdoud, residing in Austin, TX, am an original inventor or an original joint inventor of the invention disclosed in the above-identified application for a United States Letters Patent (“Inventor”);

WHEREAS, I, Nate Eichenlaub, residing in Denver, CO, am an original inventor or an original joint inventor of the invention disclosed in the above-identified application for a United States Letters Patent (“Inventor”);

WHEREAS, I, William J. Foiles, residing in Denver, CO, am an original inventor or an original joint inventor of the invention disclosed in the above-identified application for a United States Letters Patent (“Inventor”);

WHEREAS, I, Christopher Daniel Kelley, residing in Austin, TX, am an original inventor or an original joint inventor of the invention disclosed in the above-identified application for a United States Letters Patent (“Inventor”);

WHEREAS, I, Shyla Kupis, residing in Atlanta, GA, am an original inventor or an original joint inventor of the invention disclosed in the above-identified application for a United States Letters Patent (“Inventor”);

WHEREAS, Project Canary, PBC, a Public Benefit Corporation, having a principle place of business at 1200 17th Street, Floor 26, Denver, CO 80202, hereinafter referred to as “Project Canary,” is desirous of acquiring an interest in the invention and application and in any United States Letters Patent and Registrations which may be granted on the same;

For good and valuable consideration, receipt of which is hereby acknowledged by Inventor, I have assigned, and by these presents do assign to Project Canary all right, title, and interest in and to the invention and application and to all foreign counterparts (including patent, utility model, and industrial designs), and in and to any Letters Patent and Registrations which may hereafter be granted on any patent application claiming priority from the same in the United States and all countries throughout the world, and to claim the priority from the application as provided by the Paris Convention. The right, title, and interest is to be held and enjoyed by Project Canary and Project Canary’s successors and assigns as fully and exclusively as it would have been held and enjoyed by me had this Assignment not been made, for the full term of any Letters Patent and Registrations which may be granted thereon, or of any division, renewal, continuation in whole or in part, substitution, conversion, reissue, prolongation, or extension thereof.

I further agree that I will, without charge to me, but at Project Canary’s expense, (a) cooperate with Project Canary in the prosecution of U.S. Patent applications and foreign counterparts on the invention and any improvements, (b) execute, verify, acknowledge, and deliver all such further papers, including patent applications and instruments of transfer, and (c) perform such other acts as Project Canary lawfully may request to obtain or

Docket No.: P108.005.PRO2.US and P108.005.PCT

maintain Letters Patent and Registrations for the invention and improvements in any and all countries, and to vest title thereto in Project Canary, or Project Canary's successors and assigns. I waive any obligation of Project Canary to file foreign counterparts on the invention or continue pursuit of prosecution of the invention and application and to all foreign counterparts, Project Canary can in its sole discretion choose which countries to file foreign counterparts, unless I have previously informed Project Canary in writing of any foreign counterparts I would like the option to pursue or prosecute.

I hereby authorize and request Patent Engineering LLC, 3532 Franklin Street, Denver, Colorado, 80205 and/or Stephen Katsaros, to insert herein above the application number and filing date of said application when known.

IN TESTIMONY of the Assignment, I have signed my name on the date indicated.
