**ASSIGNMENT**

This ASSIGNMENT is made by and between **University of Utah**, a corporation of the State of Utah, ("Assignor"), and **University of Utah Research Foundation**, a corporation of the State of Utah ("Assignee"). For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

Whereas, **University of Utah**, a corporation of the State of Utah, having a place of business at 615 Arapeen Drive, Suite 310, Salt Lake City, Utah 84108 US is the rightful owner of the following patent applications (hereinafter referred to "Application(s)"):

**The Application(s)**

<b>Docket No.</b>	<b>Application No.</b>	<b>Filing Date</b>	<b>Title</b>
PVT-2	17/412,689	August 26, 2021	ACTIVE COMPRESSION BONE SCREW

Whereas, **University of Utah Research Foundation**, a corporation of the State of Utah, having a place of business at 615 Arapeen Drive, Suite 310, Salt Lake City, UT 84108 US ("Assignee"), is desirous of acquiring Assignor's entire right, title, and interest in and to said Application(s) and in and to any and all Letters Patent of the United States and foreign countries that may be obtained therefore;

Now, therefore, in consideration of and in exchange for the sum of ONE UNITED STATES DOLLAR (US \$1.00) paid in hand, and other good and valuable consideration, the receipt and sufficiency thereof being hereby acknowledged, Assignor does hereby sell, assign, transfer, and set over unto Assignee, its legal representatives, successors, and assigns, Assignor's entire right, title, and interest in and to said Application(s), including any applications which claim priority to the Application(s), any applications to which the Application(s) claims priority, and any continuations, continuations-in-part, divisions, registrations, reissues, re-examinations or extensions thereof, whether in the U.S. or any foreign country, and in and to any and all patents of the United States and foreign countries which may be issued for said Application(s);

And for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer, and set over unto Assignee, its legal representatives, successors, and assigns all rights to claim priority rights deriving from the Application(s) and subsequent applications; all causes of action and remedies related to the Application(s) and subsequent applications (including, without limitation, the right to sue for past, preset, or future infringement, misappropriation or violation of rights related to any of the foregoing and the right to collect royalties and other payments under or on account of any of the foregoing); and any and all other rights and interests arising out of, in connection with, or in relation to the Application(s) and subsequent applications.

Assignment University of Utah to University of Utah Research Foundation

Upon said consideration, Assignor shall not execute any writing or do any act whatsoever conflicting with the terms and conditions of this Assignment, and that Assignor will, at any time upon request, without further or additional consideration, but at the expense of said Assignee, execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect Assignee's enjoyment of this grant, and render all necessary assistance in making application for or obtaining original patents or applications, continuations, continuations-in-part, divisions, registrations, reissues, re-examinations, or extensions thereof, whether in the U.S. or any foreign country, for said Application(s), and in enforcing any rights or chooses in action accruing as a result of such applications or patents, by giving testimony in any and all proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind and inure the benefit of the assigns and legal representatives of Assignor and Assignee.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

IN WITNESS WHEREOF, we have respectively hereunto set our hands and/or seals:
