2. Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the Grantee with respect to the Collateral (including the Patents) are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Patent Security Agreement and the Pledge and Security Agreement, the terms of the Pledge and Security Agreement shall control.
3. Upon the Payment in Full of the Obligations, Grantee shall promptly execute, acknowledge and deliver to the Grantors an instrument in writing in recordable form and reasonably acceptable to the Grantors releasing the security interest in the Patents granted under this Patent Security Agreement.
