ASSIGNMENT OF RIGHTS

WHEREAS, I, **RAMON FIGUEROA**, having an address of 760 W. Wharton Drive, Claremont, CA 91711, United States of America, (the "Assignor") have invented certain new and useful improvements disclosed in the United States Nonprovisional Patent Application No. 15/696,181 titled **ELECTRICAL CONNECTOR WITH PULL RELEASE** (the "Patent Application"), and whereas I am now the owner of that Patent Application; and

WHEREAS **HIREL CONNECTORS, INC.**, a California corporation, together with any successors, legal representatives or assigns (the "Assignee"), having a post office address of 760 W. Wharton Drive, Claremont, CA 91711, United States of America, wants to acquire my entire right, title and interest in the Patent Application;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I have sold, assigned, transferred and set over, and do hereby sell, assign, transfer and set over to Assignee my entire right, title and interest in and to the improvements, and the Patent Application and all divisions, substitutions, continuations and continuations-in-part thereof, and all applications claiming the benefit of the Patent Application, and all United States Letters Patents which may be granted thereon and all reissues and extensions thereof, and all priority rights under the International Convention for the Protection of Industrial Property for every member country, and all applications for patents (including related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for the improvements in any foreign countries, and all patents (including all extensions, renewals and reissues thereof) granted for the improvements in any foreign countries; and I hereby authorize and request the United States Commissioner of Patents and Trademarks, and any officials of foreign countries whose duty it is to issue patents on the applications as aforesaid, to issue all patents for the improvements to Assignee in accordance with the terms of this assignment;

AND I HEREBY covenant that I have full right to convey my entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith;

AND I HEREBY further covenant and agree that I will communicate to Assignee any facts known to me respecting the improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuations-in-part, substitute and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee to obtain and enforce proper patent protection for the improvements in all countries.

I declare under penalty of perjury that I am over the age of eighteen (18) years and that all statements made herein of my own knowledge are true and these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

IN TESTIMONY WHEREOF, I hereunto set my hand this 29 day of Oct 2017.
