ASSIGNMENT

WHEREAS, we, **Edward R. Rowland and Thomas W. Hunsucker**, made certain new and useful inventions and improvements and are the inventors (collectively the "Inventors") of that certain invention titled "BELT ADJUSTMENT SYSTEM" for which we filed three U.S. patent applications with the following particulars:

- 1) Serial No. 13/210227, filed on August 15, 2011, issued as Patent No. 8,689,364 on April 8, 2014;
- 2) Serial No. 14/580886, filed on December 23, 2014, issued as Patent No. 9,185,942 on November 17, 2015; and
- 3) Serial No. 14/227268 filed on March 27, 2014, issued as Patent No. 9,549,581 on January 24, 2017

AND WHEREAS, **NEXBELT, LLC** a limited liability company organized and existing under and by virtue of the laws of the State of California, and having an office and place of business at 9852 Crescent Center Dr. Suite 802, Rancho Cucamonga, CA 91730 (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest in and to and hereby acknowledge receipt of said entire right, title and interest in and to the same;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, we have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries in and to all inventions and improvements disclosed in the aforesaid applications, and in and to the said applications, all divisions, continuations, continuations-in-part, or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the said inventions and improvements, including an assignment of the full right to claim for any such application the priority benefits of the International Convention for the Protection of Industrial Property and other priority conferring treaties, and all Letters Patent of foreign countries which may be granted therefrom and all extensions, divisions, continuations, continuations-in-part, renewals, reissues, and reexaminations thereof; and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to the said Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the said Assignee, its successors and assigns.

AND, for the consideration aforesaid, we do hereby agree that we and our executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to us relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the said improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore, we covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by us and that full right to convey the same as herein expressed is possessed by us.
