INVENTION AND PATENT ASSIGNMENT

THIS ASSIGNMENT, effective March 12, 2019, is made by and between:

GENERAC HOLDINGS INC., having a place of business at S45 W29290 Hwy. 59, Waukesha, WI, United States 53189 (hereinafter, "the Assignee"); and

GENERAC POWER SYSTEMS, INC., having a place of business at S45 W29290 Hwy. 59, Waukesha, WI, United States 53189 (hereinafter, "the Assignee").

WHEREAS, THE ASSIGNOR owns the rights to an invention entitled: **SMART CURRENT TRANSFORMER SYSTEM** (the "Invention"), for which an International PCT application is being filed; International Application No. PCT/US2019/026286; International Filing Date: April 8, 2019 (the "Application").

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor does hereby sell, assign, and transfer unto the Assignee, and confirms that it has sold, assigned, and transferred unto the Assignee, the entire right, title, and interest in and to said Invention, the Application, including any national phase applications based upon the Application, and any related divisional, continuation, continuation-in-part, reissue, extension applications thereof, and any letters patent which may be granted for any of the foregoing, to be held and enjoyed by the Assignee, its successors and assigns as fully and entirely as same would have been held and enjoyed by the Assignor had this Assignment not been made.

The Assignor hereby covenants that no assignment, sale, agreement, or encumbrance has been or will be made which would conflict with this Assignment.

The Assignor further transfers and assigns to the Assignee all causes of action, rights, and remedies arising under any patent applications or letters patent(s) based upon said Invention or the Application prior to, on, or after the effective date of this Assignment.

The Assignor agrees to do all such things and execute all documents as may be reasonably necessary to vest title in the Invention, the Application, including any national phase applications based upon the Application, and any related divisional, continuation, continuation-in-part, reissue, extension applications thereof, and any letters patent which may be granted from any of the foregoing, in favour of the Assignee, its successors or assigns.

This Assignment may be signed in as many counterparts as may be necessary, and may be signed by facsimile or other means of electronic communication producing a printed copy, each of which so signed shall be deemed to be an original, and such counterparts together shall constitute one and the same instrument and notwithstanding the date of execution shall be deemed to bear the date set forth above.

The Assignor and the Assignee hereby authorize the law firm of Fasken Martineau DuMoulin, whose full post office address is 2900 – 550 Burrard Street, Vancouver, British Columbia V6C 0A3, Canada, to insert into this Assignment the application number and filing date for the Application when such become known, to correct errors in this Assignment and to insert any further identification or other information necessary or desirable to make this Assignment suitable for recordal in an applicable Patent Office.

IN TESTIMONY WHEREOF, the parties have hereunto set their hands.
