ASSIGNMENT OF PATENT APPLICATION

Whereas I/We the undersigned inventor(s) have invented certain new and useful improvements as set forth in the patent application entitled:

Headset With Improved Headband

(Atty. Docket No. 10-0185/US) for which I/We have executed an application for a United States Letters Patent.

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I/We the undersigned inventor(s) hereby:

- 1) Sell, assign, and transfer to Plantronics, Inc., a Delaware corporation having a place of business at 345 Encinal St. Santa Cruz, CA 95060, (hereinafter referred to as "ASSIGNEE"), the entire right, title, and interest in and to any and all improvements and inventions disclosed in, application(s) based upon, and Patent(s) (including foreign patents) granted upon the information which is disclosed in the above-referenced application, including any right to claim priority to the above-referenced application and to any patents and patent applications based at least in part upon improvements and/or inventions disclosed in the above-referenced application.
- 2) Authorize and request the Commissioner of Patents and any other patent issuing authorities to issue any and all Letters Patents and patent grants resulting from said application or any division(s), continuation(s), substitutes(s) or reissue(s) thereof to the ASSIGNEE.
- 3) Agree to execute all papers and documents and, entirely at the ASSIGNEE's expense, perform any acts which are reasonably necessary in connection with the prosecution of said application, as well as any derivative and applications thereof, foreign applications based thereon, and/or the enforcement of patents resulting from such applications.
- 4) Agree that the terms, covenants and conditions of this assignment shall inure to the benefit of the ASSIGNEE, its successors, assigns and other legal representative, and shall be binding upon the inventor(s), as well as the inventor's heirs, legal representatives and assigns.
- 5) Warrant and represent that I/We have not entered, and will not enter into any assignment, contract, or understanding that conflicts with this assignment.
- 6) Grant to the ASSIGNEE and to the representatives of the ASSIGNEE the power to insert on this Assignment any further identification information that may be necessary or desirable to effect recordation of this document and/or to correct typographical or clerical errors.
