ASSIGNMENT OF PATENT RIGHTS

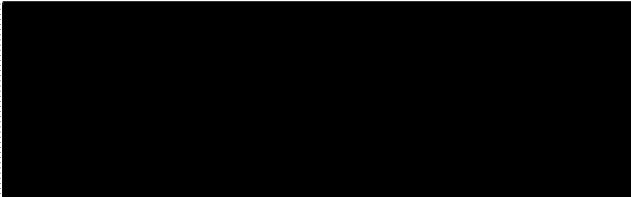

For valuable consideration, We, Lawrence Seth Lefkowitz of Tampa, Florida and Josselyn Boudett of Tampa, Florida hereby assign to Telepathy Labs, Inc. a Delaware corporation, having a place of business at 3001 North Rocky Point Drive East, Suite 200, Tampa, Florida 33607 the entire right, title and interest throughout the world in the inventions and improvements which are subject of an application for a United States Patent signed by us, entitled DOMAIN ASSISTANT SYSTEM AND METHOD, filed on July 28, 2020, at the United States Patent and Trademark Office, under U.S. Non-Provisional Application No. 16/965,526. We authorize and request the attorneys appointed in said application to hereafter complete this assignment by inserting above the filing dates and serial numbers of said application when known; this assignment including said applications, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing dates of each application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and we authorize the Assignee to apply in all countries in our name or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and we agree for ourselves and our respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.

3. **Ownership and Assignment of Intellectual Property.** I agree that all originals and all copies of all manuscripts, drawings, prints, manuals, diagrams, letters, notes, notebooks, reports, models, records, files, memoranda, plans, sketches and all other documents and materials containing, representing, evidencing, recording, or constituting any Confidential Information (as defined in Section 2 above), however and whenever produced (whether by myself or others) during the course of and in connection with the Relationship, will be the sole property of the Company. I agree that all Confidential Information and all other discoveries, inventions, ideas, specifications, designs, concepts, research and other information, processes, products, methods and improvements, or parts thereof conceived, developed, or otherwise made by me, alone or jointly with others and in any way relating to the Company's business, including but not limited to its present or proposed products, programs or services or to tasks assigned to me during the Relationship, whether or not made during my normal working hours, whether or not patentable or subject to copyright protection, whether or not reduced to tangible form or reduced to practice, during the Relationship, whether or not developed, reduced to practice or made on the Company's premises, and whether or not disclosed by me to the Company (hereinafter referred to as "**Company Intellectual Property**"), together with all products or services which embody or emulate such Company Intellectual Property, will be the sole property of the Company and to the fullest extent permitted by law will be deemed "works made for hire".

I agree to, and hereby do, assign to the Company all my right, title and interest throughout the world in and to all Company Intellectual Property and to anything tangible which evidences, incorporates, constitutes, represents or records any such Company Intellectual Property. I hereby assign and, to the extent any such assignment cannot be made at present, I hereby agree to assign to the Company all copyrights, patents and other proprietary rights I may have in any such Company Intellectual Property, together with the right to file for and/or own wholly without restriction United States and foreign patents, trademarks, and copyrights. I agree to waive, and hereby waive, all moral rights or proprietary rights in or to any Company Intellectual Property and, to the extent that such rights may not be waived, agree not to assert such rights against the Company or its licensees, successors or assigns.
